2. INSURANCE

2.1 Effective Date of Coverage.

The effective date of coverage for new employee members in the health, dental, and vision insurance plans provided employees shall be in the month next following the date of appointment to employment as a regular employee, who is eligible for the stated insurance coverage.

2.2 Health Insurance Options.

The City shall provide an option for health insurance coverage for eligible employees and his/her eligible dependents. All health and health-related plan or benefit years shall coincide with the calendar year.

2.2.1 PREMIUM: City will increase the maximum amount that it will pay for all health-related benefits (medical, dental, vision). Effective July 1, 2022 and for the duration of the MOU, the City will increase the maximum amount that it will pay for all health-related benefits (medical, dental and vision) to one half (1/2) of any premium increases during the term of this MOU, but not to exceed an annual increase of six and one half percent (6.5%).

2.3 Dental and Vision Insurance.

The City provides dental and vision insurance that is on a calendar plan year. When an employee enrolls in either program, he/she is expected to remain enrolled during the term of this MOU, unless a permissible event, as described in the plan, allows the employee to withdraw or modify coverage.

2.4 Life Insurance.

Employees with more than 30 days of employment with the City shall receive a benefit value equal to one year's annual salary of group term life insurance coverage.

2.5 State Disability Insurance.

Employees shall purchase, at the employee's expense, State Disability Insurance (SDI). SDI provides weekly benefits in the event an employee is unable to work due to an illness or injury that is not job-related. Employees receiving benefits from SDI and who are supplementing those benefits with accrued leave time to receive a full paycheck shall receive the City's contribution to their health, dental, vision, and life insurance, if applicable.

2.6 Flexible Benefits.

Employees shall have the option to participate in a flexible benefit program (as allowed and prescribed by Section 125 of the Internal Revenue Code and applicable IRC sections and regulations) that permits the payment of unreimbursed eligible dependent care costs and/or insurance premiums excess from Section 2.2.1 with pre-tax dollars. This flexible benefit program may be expanded, provided that there is no cost to the City, to include other unreimbursed expenses permitted by the Internal Revenue Code and its related regulations. Any Internal Revenue Code amendments that affect these deductible medical expenses and/or City liability shall void that portion of the flexible benefit program.

The City and SEIU shall jointly form a committee to investigate methods of providing a cafeteria plan to allow flexibility in choosing benefits. If such a plan is developed which will result in no cost to the City but which is supported by a majority of the employees, the City will consider implementing said plan.

2.7 Continuation of Insurance Benefits While on Leave of Absence.

When an employee is on an authorized leave of absence without pay, the employee shall be allowed at the employee's own expense to remain under the health, dental, vision and life insurance coverage for up to twenty-six (26) bi-weekly pay periods provided that such employee shall pay the applicable premiums at least two (2) weeks prior to the premium due date. Specific arrangements for such coverage shall be made with the Finance Department.

Employees who must pay either all or a portion of their health, vision, dental and life benefits shall either arrange for the payment to be deducted from their paychecks or, if the amount of the paycheck is not sufficient, pay those benefits to the Human Resources Department twice per month at least two (2) weeks prior to the premium due date. Failure to pay for these benefits two (2) weeks prior to each premium due date shall result in cancellations of the insurance.

3. LEAVES FROM EMPLOYMENT

3.1 Vacation

Except as specified below, regular, full-time employees shall accrue and accumulate vacation according to the following schedule:

Years of Service	Maximum Bi-Weekly Accrual	Maximum Annual Hours Accrual	Maximum Accumulated Hours ("cap")
0-4	3.077	80	240
5-9	4.615	120	360
10 +	6.152	160	480

Part-time employees scheduled to work at least 30 hours per week will earn vacation at the above rates, prorated proportionately.

Temporary, and part-time employees working less than 30 hours per week do not receive vacation time but may be allowed to leave without pay for needed vacation time.

Employees shall begin to accrue vacation leave on the date of initial employment with the City of Lathrop on a bi-weekly basis at the rate based on tenure of employment.

For all work groups, employees will submit vacation requests in writing to their Supervisor or designee and Supervisors will respond in writing within 15 days of receipt with confirmation that the request has been approved or denied. Employees have the ability to cancel vacation time they have scheduled. If the employee wishes to cancel previously authorized time off, the employee will notify their Supervisor in writing fifteen (15) calendar days prior to the start of the scheduled vacation unless unusual circumstances prevent them from giving notice. Vacation schedules will be discussed in department meetings; however, the Department Head will make the final determination.

All vacation time must be scheduled in advance with the Department Head and should be taken at a time that does not unnecessarily burden the department. As much as possible and as work scheduling permits, an employee may take multiple weeks of vacation when properly scheduled with the Department Head. All leave shall be approved by submitting a completed and authorized "Leave of Absence Form" to the Department Head for approval. Leave equaling one week or more should be scheduled at least one month in advance; however, two weeks advance notice is required. Earlier scheduling of leave is encouraged in order to allow Supervisors time to reassign work load. Failure to schedule leave one month in advance shall not be used as grounds for denial of the vacation, but anticipated workload and staffing issues may be grounds for denial of the vacation.

Employees are eligible to take accrued vacation time after completion of their first probationary period. An employee may take some accrued vacation time prior to having completed the initial probationary period if approved by the Department Head. Use of vacation time prior to completion of the probationary period shall only be allowed if the situation requiring the taking of the vacation time is an emergency, or if taking the vacation time was negotiated prior to employment.

Employees may accrue vacation time to a maximum of three (3) times their current annual accrual rate. Any employee exceeding this maximum accrual on December 31 of each year shall discontinue accruing vacation until such time as their total accrual drops below the maximum accrual limit. An employee's accrual limit may exceed the maximum limit during the year; however, the employee shall discontinue accruing vacation on December 31 of each year if their accrual exceeds the maximum limit.

Non-exempt employees who are over the vacation maximum accrual limit as of January 1 will be able to buy back up to forty (40) hours of vacation time per year and will be paid out during pay period one.

Employees who have a scheduled vacation canceled during the months of November and December due to an emergency, may have their maximum vacation accrual temporarily increased. In this case, the employee must meet the following conditions:

- a. The employee's vacation accrual must be above the maximum on December 31 of that year.
- b. The Department Head must determine that there was no other available time during the months of November and December when the vacation time could be rescheduled.
- c. The maximum accrual extension must be approved by the City Manager.
- d. The provisions for discontinuing accrual based on exceeding the maximum limit will be waived for one year. The provisions for discontinuing accrual based on maximum limit shall be enforced the following year.

Employees are entitled to all accrued vacation leave upon their separation as a City employee.

Any compensatory time shall be taken before vacation time.

3.2 Sick Leave

- 3.1.1 **ACCRUAL:** The granting of sick leave with pay is a privilege and not a right. Sick leave may only be used in cases of necessity and actual illness or disability of the employee or family member needing care. The City of Lathrop shall adhere to applicable appropriate state and federal mandated leave laws.

Regular, full-time employees may begin to accumulate sick leave on the date of hire at a rate of eight (8) hours per month (3.6923 hours per pay period). Part-time employees scheduled to work at least 30 hours per week will earn sick leave at the above rate, prorated proportionately. Temporary, and part-time employees working less than 30 hours per week do not receive sick leave but may be allowed to leave without pay. Employees accumulate an unlimited amount of unused sick leave. An employee may begin to utilize accumulated sick leave after having completed three (3) full pay periods of employment.

- 3.1.2 **SICK LEAVE USAGE:** Any employee needing to be absent from work because of a sick leave circumstance shall arrange for a telephone report to his/her Supervisor by the beginning of the scheduled workday or shift (no later than the start of the work shift) to ensure coverage can be arranged. Each department is to have a designated call-in number for employees, with the ability to accept messages, designated by the immediate Supervisor to report absences. If unable to reach a Supervisor, employees are to call the Human Resources Department and report the absence; leaving a message if no answer.

If a sick leave circumstance requires an employee to be away from work for a period beyond the individual's accumulated sick leave, the time away from work may be taken as vacation time or compensatory time if either is available. When all paid leave is exhausted, leave without pay may be given.

Upon return to duty after sick leave, the employee shall complete a leave form to be signed by the Department Head and forwarded to Payroll.

Any employee who is absent from work for a period of three consecutive work shifts without notifying his/her Supervisor shall be separated from employment with the City. This separation shall be defined as a voluntary resignation and as such shall not be subject to the grievance process in Section 14.

Sick leave may be authorized for any of the following reasons:

- a. Illness, injury or quarantine of the employee;
- b. Medical, dental or optical care of the employee;

- c. Illness, injury, or quarantine of a member of the employee's immediate family living in the household that requires the employee to tend, care for, or otherwise provide for the care of such person, up to a maximum of forty-eight (48) hours in a fiscal year for full-time employees; part-time employees prorated proportionately based on number of hours worked.
 - d. Illness, injury, or quarantine during an authorized vacation as evidenced by satisfactory proof attesting to the nature and length of disability. Use of sick leave for non-emergency medical, dental or optical care during an authorized vacation period is not permitted.
 - e. An amount sufficient which, when added to an employee's disability indemnity under Worker's Compensation, will result in a payment to the employee not more than the employee's regular salary.
 - f. An amount sufficient which, when added to an employee's disability indemnity under State Disability Insurance (if applicable), will result in a payment to the employee not more than the employee's regular salary.
- 3.1.3 SICK LEAVE EXCLUSION: No employee shall be entitled to sick leave because of any of the following:
- a. Any illness or injury caused by the employee's misconduct;
 - b. Illness, injury, or quarantine or disability while on leave without pay;
 - c. An employee who is scheduled to work on a regular holiday who is absent on that holiday due to illness, injury, or quarantine shall not be permitted to use sick leave but shall be deemed to have used the regular holiday.
- 3.1.4 SICK LEAVE VERIFICATION: Any use of sick leave, including maternity, paternity and parenting leave, which results in absence from work exceeding three (3) successive work shifts may be required to be supported by a medical certificate or other evidence acceptable to the Supervisor. This evidence may be required on the first working day the employee returns to work. The Supervisor or Department Head may ask for medical evidence of illness for any use of sick leave if the request for evidence is made to the employee prior to his/her returning to work following the illness, or if the Supervisor has a suspicion of sick leave abuse.

3.1.5 SICK LEAVE ABUSE: Sick leave abuse may include use of sick leave accruals for other than qualified sick leave as defined herein; excessive use of sick leave; and/or consistent patterns of sick leave on certain days. These may be grounds for determination of sick leave abuse. Determination of sick leave abuse will be cause for discipline in accordance with disciplinary procedures. More than four (4) separate incidents of sick leave use in a twelve-month period may be sick leave abuse if there is no clear reason for the number of absences. A series of doctor's appointments that are scheduled in advance or other pre-scheduled absences shall not be considered in determining whether or not sick use abuse has occurred. This section shall be administered so as not to conflict with any provisions of FMLA.

3.1.6 SICK LEAVE CONVERSION: Employees may, at the end of each calendar year, convert some of the unused sick leave accumulated during each calendar year to vacation leave provided:

1. The employee has an accumulated balance of unused sick leave of more than 96 hours;
2. Conversion does not reduce unused sick leave below 96 hours; and
3. The employee has not used more than 40 hours of sick leave during the calendar year.

A maximum of 40 hours of unscheduled sick leave may be converted, but shall be reduced hour-for-hour by sick leave used by the employee during the calendar year. If an employee uses 40 or more hours of unscheduled sick leave during the year, no sick leave shall be converted.

Once an employee has met the criteria for his/her particular category of employment, the sick leave conversion shall automatically take place, unless the employee directs otherwise, and the notice of the conversion shall be found on his/her check stub or other record. Any sick leave converted shall be added to accrued vacation and be governed by the vacation accrual limits. Conversion of unscheduled sick leave shall be done after the last pay period of each calendar year.

The base compensation provided should be payment in full for all services rendered to the City except as otherwise provided.

5.2 Working Hours

Normal work schedules will involve an eight (8) to twelve (12) hour block of time between the hours of 5:00 a.m. and 6:00 p.m., Monday through Friday, not including lunch break.

Positions assigned to Parks, Recreation and Maintenance Services Department may work traditional, non-traditional and split-shift hours including weekdays, weekends, evenings and holidays.

5.3 Overtime

The City of Lathrop will compensate City employees for all hours worked, including overtime hours worked in compliance with the Fair Labor Standards Act (FLSA).

An employee who works beyond the specified numbers of hours in the pay period shall receive compensation at the rate of one and one-half times the regular base pay. All time in paid status, with the exception of vacation, sick and compensatory time taken shall be deemed time worked. Compensatory time may be given in lieu of paid overtime at the discretion of the Department Head. All employees earning compensatory time may only accumulate eighty (80) hours. Employees who accumulate over the maximum hours (80) shall be paid for over-time hours in excess of the maximum.

Overtime work must be approved by the Department Head or his/her designee, prior to being worked. The Department Head shall make sure that appropriate and accurate records are kept of all overtime hours worked and any compensatory time earned. Failure to have overtime approved in advance, except for call-back time, will not prevent the City from compensating the employee for the time worked; however, disciplinary action may be taken for working unauthorized hours.

Upon termination of employment, any unused compensatory time shall be paid at a rate of pay equal to his/her current rate of pay at termination. Employees requesting time off from work shall use compensatory time before accrued vacation. Use of compensatory time should not create a situation where overtime for other personnel within in the Department or within the City is necessary to maintain operations.

Every effort will be made to ensure that there is not unscheduled mandatory overtime. Should unusual circumstances arise that necessitate unscheduled overtime, it will be assigned fairly. It is understood by both parties that employees may have compelling personal or professional obligations that may hinder their ability to work overtime without advance notice. Such obligations shall not subject employees to discipline. This does not apply to employees who work in positions which by job description, are required to participate in stand-by and are compensated accordingly, or in the event of an unforeseen emergency.

Employee shall not be required to attend events for work without pay.

When a part-time employee is required to work more than normally scheduled hours, those hours will be recorded as "Comp Time as Straight" on the time sheet. These hours may be paid or may be banked for use at a future time, as agreed to by the employee and his/her Department Head. The administration of this time shall follow the same expectations as is provided for in Section 5 of the MOU. Whenever such employee works more than forty (40) hours in a pay period, overtime at time and one-half shall be compensated.

Each Department Head shall ensure that accurate records are kept of all hours worked by each employee within the Department. Such records shall differentiate between scheduled hours and overtime hours worked and all leave hours taken per work period for each employee. Copies of all time worked records shall be submitted to the Finance Department at the end of each pay period or each work period. These records shall be maintained in accordance with the records retention policy.

Hours worked shall be documented and compensated in fifteen (15) minute intervals. For example, an employee working more than five (5) minutes in a fifteen (15) minute interval shall be compensated for fifteen (15) minutes.

Time allowed for rest periods may not be accumulated from one half of the workday to another, nor may rest periods be used to alter an employee's normal work hours and meal periods.

Unless a Supervisor specifically requires an employee to miss a scheduled break, rest periods shall not be combined with a lunch period or otherwise banked. If an emergency arises which requires that an employee miss a scheduled break, the two scheduled breaks may be combined provided operational requirements allow and provided the missed break is taken on the same day it was missed.

5.1.1 **MEAL DURING OVERTIME:** Meals that must be consumed on the job after the normal workday and while working in an overtime situation are not to be considered as an interruption of overtime work performed. The City shall neither pay for nor provide meals, nor is an employee who takes a break for a meal to be considered as being in paid status. An employee, upon request, shall be allowed to take a thirty (30) minute meal break after two (2) hours overtime and every four (4) hours thereafter. The City retains the right to refuse requests for meal breaks in the event of emergency.

The Supervisor may establish a lunch schedule for all employees, generally between the hours of 11:00 a.m. and 2:00 p.m.

The City shall provide a 30-day notice of any changes but may make temporary changes lasting less than 30 days to the work schedule. It is understood that employees may not be able to accommodate immediate changes to their work schedule. In making changes, the City shall give consideration to prior commitments of the employees. Normal work schedules for employees at City Hall will involve an eight (8) to, twelve (12) hour block of time between the hours of 5:00 a.m. and 6:00 p.m., Monday through Friday, not including lunch break. Should circumstances arise that necessitate work schedules other than the above SEIU and the Employer will reach agreement prior to implementation. The Department Head shall obtain approval for other schedules from the City Manager. Scheduled days off in a workweek shall be consecutive.

5.6 Witness Duty

Any employee who shall be called as a witness in a case arising out of and in the course of the employee's City employment shall be deemed to be on duty and there shall be no loss of pay. The requirement to appear as a witness requires a subpoena. The party issuing the subpoena shall be required to pay witness fees to the City as set forth in the Government Code. A position may be under-filled to provide career development opportunities if the Department Head deems that workloads can be satisfactorily managed and staff is able to provide appropriate training and supervision or if, after the recruitment process, a qualified applicant is not available. An under-filled position will be on a six (6) month trainee period during which time the salary shall be fifteen (15) percent below the starting salary for that position. At the end of a satisfactory six (6) month trainee period, the employee shall be eligible to move to the first step in the range for that position and begin the regular employee probationary period as a promoted employee. At any time during the trainee period, the Department Head may determine to return the employee to filling the under-filled position to his or her regular position.

The decision to rehire a previous full-time or part-time employee shall always be at the option of the Department Head or a designated representative, subject to the approval of the City Manager. Rehiring of a previous

employee shall be subject to all other provisions of employment with the City including, but not limited to, the successful completion of a pre-employment physical drug screen.

In the instance of an employee who has been laid off due to a reduction in force or termination of a position, such employee shall be considered eligible for rehire if he/she has had satisfactory or above performance evaluations for the two most recent evaluations. If an opening occurs in a job previously held by an employee who was separated due to reduction in force or termination of a position within two years of separation, that employee shall be notified by regular mail and offered the opportunity to return to City employment and given two weeks in which to respond to said offer. If no response is received within the two week period or the former employee declines to return to the City, he/she shall thereafter be considered as a new candidate for re-employment. Acceptance of the offer of employee shall require that the former employee return to work within three (3) weeks of acceptance.

Employees who are rehired shall be considered, for the purposes of vacation accrual, length of service, etc., to have worked for the City since the original date of hire, less any time during which the employee was not working for the City.

12.2 Lay Off Procedures and Bumping Rights

Any permanent full-time City employee who is to be laid off or dismissed for other than disciplinary reasons shall be given fifteen (15) calendar days' notice and allowed to take time as a severance offering. This provision does not apply to probationary or contract employees.

12.2.1 Statement of Intent.

Whenever the City eliminates a position or has a reduction in force due to reduced work, reduced revenues, or other reasons, or when in the judgment of the City Manager, it becomes necessary to abolish any position of employment, the employee holding such position may be laid off or demoted, without disciplinary action and without the right of appeal. This does not negate any State or Federal rights.

12.2.2 Notification

Employees to be laid off shall be given, whenever possible, at least fifteen (15) calendar days' prior notice, which shall include an opportunity to submit in writing or meet with the Administrative Services Director regarding the reasons for the layoff and his/her seniority and bumping rights. The Administrative Services Director will render a reply in writing within seven (7) calendar days after receiving the employee's response.

12.2.3. Vacancy and Demotion.

Except as otherwise provided, whenever there is a layoff under this Rule, the City shall first demote to a vacancy, if any, in a lower class for which the employee to be laid off is qualified. All persons so demoted shall have their names placed on the City's reemployment list.

12.2.4 Employee Rights.

A permanent employee affected by layoff shall have the right to displace an employee who has less seniority in a lower class in the same class series or in a lower classification in which the affected employee once had permanent status. Seniority includes all periods of full-time service with the City.

12.2.5 Seniority

In order to retreat to a former or lower class or series as defined in job descriptions, an employee must have more seniority than at least one (1) of the incumbents in the retreat class, and shall request displacement action in writing to the Administrative Services Director within five working days of receipt of notice of layoff. Notice of layoff shall include a notice of the rights set forth in this rule.

- a) Employees retreating to a lower or similar class shall be placed at the salary step representing the least loss of pay. In no case shall the salary be increased above that received in the class from which the employee was laid off.
- b) Employees retreating to a lower or similar class shall serve a probationary period in the new class unless they have previously successfully completed a probationary period in the class or the class series.
- c) In cases where there are two (2) or more employees in the class from which the layoff is to be made, the employee with the least seniority shall be laid off. The only exception to this is if there is an employee in the class who, within the 12 months immediately previous, has been placed on "imposition of review" status due to employee discipline, such an employee shall be considered less senior for purposes of layoffs. If no employees within the class fit such criteria, or after all so-rated employees have been laid off, layoffs shall be in inverse order of the employees' seniority in that or a higher class.

12.2.5 Employment Status.

- a) Only permanent full-time employees and permanent part-time employees as defined in Rule 3.7 shall be entitled to any rights under this Rule.

12.2.6 Reemployment List.

- a) The names of persons laid off in accordance with these rules shall be entered on a reemployment list. Lists from different Departments or at

different times for the same class of position shall be combined into a single list. Such lists shall be used when a vacancy arises in the same or lower class of position before certification is made from an eligible list.

- b) Names of persons laid off shall be carried on a reemployment list for two (2) years, except when that person's appointed to permanent positions at the same level from which they were laid off shall, upon such appointment, be dropped from the list. Persons who refuse reemployment shall be dropped from the list. Persons reemployed in a lower class, or on a temporary basis, shall be continued on the list for the higher position for two (2) years. The City Manager may extend the duration of a reemployment list.

13. SUBSTANCE ABUSE REFERRALS

The City and SEIU jointly recognize the value of the City's Employee Assistance Program offered through the Central San Joaquin Valley Risk Management Authority in the evaluation and resolution of employee problems associated with substance abuse.

If, after such discussion, he/she does not believe that the problem has been satisfactorily resolved, he/she shall have the right to discuss it with the Supervisor's immediate superior, if any, without undue delay, but within ten (10) calendar days after initial Supervisory discussion. Every effort should be made to find an acceptable solution by informal means at the most immediate level of supervision. The City Manager may respond based on 1) a review of the grievance file, 2) a meeting with the employee, employee representative, if any, and with other appropriate persons; or both.

- d. Skelly Meeting – the employee shall have the right to respond informally to the charges verbally, in writing, or both, before the discipline is imposed. The employee shall have ten (10) calendar days from receipt of the notice within which to respond to the charges.
