- (a) Hire, promote, transfer, assign, classify positions, retain employees, and to suspend, demote, discharge or take disciplinary action against employees.
- (b) Lay off or demote employees from duties because of lack of funds, in the interest of economy, or other legitimate reasons.
- (c) Determine the policies, standards, procedures, methods, means and personnel by which County operations are to be conducted.
- (d) Take whatever actions may be necessary to carry out the mission of the County in situations of emergency, subject to meeting and conferring after the emergency to the extent required by section 1.5(b).
- (e) Nothing in this Memorandum shall be construed to interfere with the County's right to manage its operations in the most economical and efficient manner consistent with the best interests of all the citizens of San Joaquin County.

1.2 Labor - Management Committees

The County and SEIU shall establish committees comprised of labor and management representatives to deal with specific areas of concern as specified by separate letter.

The medical certification shall also specify the anticipated duration needed for the work restrictions. The manager and/or supervisor shall engage in a good faith, timely, interactive process with the employee in compliance with the ADA and FEHA. Written notice will customarily be provided by furnishing SEIU with advance copies of the agenda of the Board of Supervisors and Civil Service Commission meetings.

In cases of emergency when County management determines that an ordinance, resolution, rule or regulation must be adopted immediately without prior notice or negotiations with the Union, County management shall provide such notice and opportunity to negotiate at the earliest practicable time following the adoption of such ordinance, resolution, rule or regulation, proposal, or other action.

- (c) REPRESENTATIVES - MEETING ATTENDANCE: SEIU may have a reasonable number of employees who serve as official representatives released from work without loss of compensation when meeting and conferring with management representatives where matters within the scope of representation are being considered. SEIU shall submit a request for such release and shall include therewith a listing of such employees including their titles and departments to the management representative and departments concerned in advance of the meeting. The use of County time for this purpose shall not be excessive, nor shall it unreasonably interfere

with the performance of County services as determined by the County. The reasonableness of the number of such employees shall be the subject of negotiation.

1.6 SEIU Access

Authorized representatives of SEIU shall be allowed reasonable access to employees of the unit at their work locations during the working hours of the employees concerned for the purpose of discussing matters within the scope of representation, including but not limited to the processing of grievances and complaints and distributing materials and information provided that the work of the employee and the service to the public are not unduly impaired. The authorized representative shall give advance notice to the department head when contacting departmental employees during their duty period.

2. The County will provide a roster of the individuals scheduled to attend an orientation session at least 48 hours prior to the session.
3. In the event that audio visual equipment is available and being utilized by the County for the presentation of orientation information, SEIU shall be provided reasonable access to such equipment.

1.8 Union Representatives

SEIU is solely responsible for distributing to, and collecting from, employees the dues and voluntary deduction authorization forms. It is the employees' responsibility to submit requests to start or stop deductions directly to SEIU and not to the County. SEIU is responsible for maintaining the deduction forms from individual employees. Copies of an individual employee's deduction authorization need not be provided to the County unless a dispute arises about the existence or terms of the authorization. Questions regarding SEIU membership, dues amounts, and payroll deductions must be directed to SEIU and not the County.

SEIU will give the County timely notice of any change to an employee's deductions, including starting and stopping deductions, or validly cancelling or revoking a deduction authorization.

SEIU shall indemnify, defend, and hold the County, its officers, agents, and employees harmless from and against any and all claims, demands, losses, defense costs, suits, or other action or liability of any kind or nature arising from this section, including, claims for or related to employee authorizations, revocations, deductions made, cancelled, or changed in reliance on SEIU's representations and certifications regarding employee dues and COPE deduction authorizations.

At the conclusion or termination of the leave granted under this section, the officer or steward shall have a right to reinstatement to the same position and location they held prior to such leave, or if not feasible, a substantially similar position without loss of seniority, rank, or classification. If an employee was due a merit increase during this leave, the merit increase will be delayed one full pay period for each full pay period the employee was on leave.

The County shall not be liable for any act, omission, or injury suffered by any employee of the County if that act, omission or injury occurs during the course and scope of the employee's leave under this section to work for SEIU. To the extent that the County is held liable for any such act, omission or injury, SEIU shall indemnify and hold harmless the County.

2.3.2 Dental Insurance: Full-time Employees

The County shall provide dental insurance coverage for eligible employees in one or more dental insurance plans. There shall be a primary dental, plan and a lower cost dental health maintenance organization (DHMO) plan may also be offered. Such plans may be fully insured or self-insured by the County. Forms for request of leave of absence are maintained in each department. Requests for leave of absence shall be submitted sufficiently in advance of the proposed effective date to permit the department head and the Director of Human Resources to take action prior to that date.

A leave of over 30 days must be approved by the Director of Human Resources.

New employees shall be appointed at the first step of the salary range adopted for the particular class of position to which the appointment is made. The Board of Supervisors or such individual as the Board may designate, upon certification of the Director of Human Resources that recruiting difficulties exist, may provide that a particular allocated position be filled at a step above the minimum of the range commensurate with the qualifications of the prospective appointee which are above the minimum requirements set forth in the class specifications.

Whenever such allocated position is filled in this manner, all incumbents of allocated positions who have qualifications above the minimum set forth in the class specification in the same class earning less than the step in the particular salary range at which the new employee enters may be raised to that step or to a lower step in the range upon the request of an Appointing Authority and the recommendation of the Director of Human Resources and subject to approval of the County Administrator.

Notwithstanding other provisions of this memorandum regarding merit advancement days, the merit advancement of all employees in that class of position may be changed in order to retain

equitable relationships as recommended by the Director of Human Resources and approved by the County Administrator.

6.2 Step Increases

6.2.1 Regular Full-Time Employees

A regular full-time employee shall be required to serve a merit advancement period of twenty-six (26) bi-weekly pay periods on each step of the salary range assigned to the classification of which the employee is an incumbent before becoming eligible for advancement to the next higher step. An employee shall not advance to the next higher step until the employee receives the affirmative recommendation from their department head and the employee's eligibility for advancement has been verified by the Director of Human Resources. An employee shall not advance to the next higher step if their overall performance is evaluated as less than satisfactory. Nothing in this Memorandum shall be construed to provide that step increases are automatic.

Advancement within a salary range shall not be made more frequently than once in any period of twenty-six (26) consecutive pay periods nor shall any employee advance more than one step within a salary range at one time except as provided in Section 6.1 above.

6.2.2 Eligibility for Step Increases for Part-time and Temporary Employees

Employees designated as part-time or temporary shall complete 2080 hours of unbroken service (not taken off payroll) and a minimum of twenty-six (26) bi-weekly pay periods before advancing to the next higher step of the salary range.

For purposes of this section, if part-time and/or temporary seasonal employees reach the maximum allowable hours on payroll (1,560 hours) prior to the end of the fiscal year and the position assignment is identified as on-going, departments will remove the employee from the work schedule until the beginning of the new fiscal year in order to maintain unbroken service status.

6.3 Step Increases Withheld

Any step increase withheld because of administrative oversight or inadvertence shall be made retroactive to the normal effective date of the step increase.

Any step increase withheld for cause but, upon appeal, adjudicated in favor of the employee, shall be made retroactive to the normal effective date of the step increase or some intervening date determined by the adjudicating party. If the step increase is made retroactive to the normal effective date of the step increase, the employee shall retain the employee's current anniversary date. If some intervening date is determined by the adjudicating party, the employee shall not be eligible for the employee's next merit advancement for twenty-six (26) bi-weekly pay periods from the intervening date.

6.4 Salary Step on Promotion

An employee appointed to a position with a higher salary range shall have their salary adjusted to the first step of the new range or to the step in the new range which is at least 5% higher than the salary the employee was receiving prior to the promotion, whichever is greater, provided that the new salary is within the new range. For the purposes of this Section, pay supplements which are a percentage of base salary (except above class pay, special assignment pay, or supplemental pay that carry over to the promotion class) shall be added to the pre-promotion base salary prior to determining the appropriate step in the new range. The effective date of the promotion shall become the new merit advancement date for the employee and they shall not be eligible to receive a merit step increase until fifty-two (52) weeks after such date.

6.5 Order of Adjustments

Whenever an employee is promoted and receives a range change or the employee's position is reclassified to a class having a higher salary range, on the employee's merit anniversary day the employee shall first receive the merit advancement increase to which they may be entitled and then receive such increases to which they may be entitled in the following order: salary adjustment, reclassification, promotion.

6.6 Salary Step on Demotion

If an employee is demoted to a position having a lower salary range because of lack of work or funds, or in the interests of economy, or for any reason other than discipline, the employee so demoted shall receive the next lower salary in the range assigned to the new position. The employee's merit anniversary date shall remain the same.

If an employee voluntarily demotes to a position having a lower salary range, the employee shall receive the salary in the new range which is equal to the salary in the prior position or, if none, the next lower salary in the range assigned to the new position.

6.7 "Y" Rates

Whenever an incumbent of a Civil Service exempt position accepts a demotion for reasons other than a disciplinary action to a class of position having a lower salary range, the Board of Supervisors may direct that the capital letter "Y" be set opposite the position to which the incumbent was demoted in the department budget and all payroll and other personnel records.

Whenever the effect of a reclassification is to place the incumbent in a Civil Service classified position having a lower salary range, the Board of Supervisors, upon the recommendation of the Civil Service Commission, may direct that the capital letter "Y" be set opposite the reclassified position in the department budget and all payroll and other personnel records.

Whenever the "Y" is set opposite a position, the incumbent shall continue to receive their previously authorized salary until termination of employment in the position, or until a higher rate of pay may be authorized, whichever comes first.

7. PART-TIME EMPLOYMENT

The following provisions shall only apply to the following part-time or Per Diem Health Care Professional (HCP) employees: Physician Assistant series, Physical Therapist series, Pharmacist series, Occupational Therapist series, Speech Therapist series, Clinical Laboratory Scientist series, and Clinical Microbiologist series.

- a. At the time of hire, part-time employees in the above designated classes shall either be offered part-time employment with fringe benefits or be designated as Per Diem.
- b. Fringe benefits shall include health, dental, vision, and life insurance; vacation, sick leave, holidays; and other benefits as described in Sections 2 and 3 of this Memorandum.
- c. A part-time with benefits employee who is scheduled to work 41 hours in any given pay period will receive pro-rated leave based on the hours scheduled and will receive the County's contribution for health benefits for that pay period. A part-time with benefits employee will not lose health, dental, vision or life insurance benefits or vacation, holiday, or sick leave accrual if the employee is scheduled to work 41 hours in a pay period and is told not to come to work or is sent home prior to completing the whole scheduled shift. An employee is considered to be scheduled to work 41 hours in a pay period if the schedule posted by the Department indicates that the employee is scheduled to work 41 hours in that pay period.
- d. A part-time with benefits employee on an authorized leave of absence may maintain benefits coverage in accordance with the County provisions noted in Section 2.9 of this Memorandum.
- e. Part-time with benefits employees may not be required to change to Per Diem Status. Part-time with benefits employees who elect to change to Per Diem Status, may do so at a time mutually agreeable to the County and may not reenroll in benefits without being hired into a part-time with benefits position.
- f. Per Diem employees in the above classifications may apply for part-time with benefits employment opportunities to receive fringe benefits.
- g. Employees listed above who are designated as Per Diem will not receive pro-rated benefits but shall receive pay in lieu of benefits as described in Section 4.1 of this Memorandum regardless of the number of hours worked in any pay period.

Per Diem employees who meet the Affordable Care Act (ACA) stability period requirements may opt to receive medical plan coverage only and will no longer be eligible to receive the pay in lieu of benefits supplement as described in Section 4.1 while receiving medical plan coverage. Per Diem employees who choose to waive the medical plan coverage option will continue to be eligible to receive pay in lieu of benefits.

7.1 Definitions of Part-time and Temporary

Definitions for part-time and temporary employment shall be as follows:

Part-time: The status of an employee who is appointed to a position which is less than three quarters time (defined as not more than 1560 hours in a fiscal year). A part-time position is ongoing in nature and anticipated to exceed six (6) months' duration.

Temporary employees who meet the appropriate eligibility criteria may receive step increases (see Section 6.2.2).

7.2 Compliance with Part-time/Temporary Definitions

The County will provide the Union with payroll data showing the number of hours worked by part-time employees in the prior six (6) months on the pay period closest to June 1 and December 1 of each year. The County will provide the Union with payroll data showing the number of hours worked by temporary employees in the prior year on the pay period closest to January 1 of each year.

Disputes regarding violations of the part-time and temporary employee definitions shall be submitted directly to Human Resources pursuant to the Complaint procedure set forth in Section 17.

7.3 Combination of Part-time Hours

An employee designated as part-time may combine the hours worked in two different positions in the same department for the purpose of establishing part-time status and eligibility for benefits.

8.2.1 Retirement Benefits – Final Compensation Period

For employees who are members of SJCERA Tier I, final compensation shall, as authorized by County Resolution R-71-2161 pursuant to Section 31462.1, be the average annual compensation earnable by the member in the twelve (12) consecutive months elected by the member or, if no election is made, immediately preceding the member’s retirement.

As required by Section 7522.32, for employees who are members of SJCERA Tier II, final

compensation shall mean the highest average annual pensionable compensation earned by the member during a period of at least thirty-six (36) consecutive months immediately preceding their retirement or last separation from service if earlier, or during any other period of at least thirty-six (36) consecutive months, as designated by the member on the application for retirement.

In accordance with Board of Retirement Resolution 2021-05-01, and pursuant to the Public Employees' Pension Reform Act (PEPRA) (Gov. Code sec. 7522.34), employees who become members of SJCERA for the first time on and after January 1, 2022, and who do not establish reciprocity between SJCERA and another public retirement system in California as to which the individual's retirement system membership commenced prior to January 1, 2013, pensionable compensation shall be defined as base pay only and will be referred to as Tier II B.

Employees' retirement contributions to SJCERA shall be made on a pre-tax basis.

Tier I members contributions as determined annually by the plan actuary pursuant to Section 31621.3 for General Members of SJCERA Tier I, and pursuant to Section 31639.5 for Safety Members of SJCERA Tier I and expressed as a percentage of payroll shall be known as the "Basic Member Contribution Rate." Employees who are members of SJCERA Tier I shall pay the Basic Member Contribution Rate applicable to their member category plus the increase in that rate as specified in Government Code Section 31631.5(a)(1), not to exceed 50% of the normal cost of benefits. Employees who are Safety Members of SJCERA Tier I and employees who were General Members of SJCERA Tier I on March 7, 1973, and remained continuously in membership until having credit for, thirty (30) or more years of service who, for that reason, are not making contributions to SJCERA, shall receive, in addition to their regular rate of pay, an amount equal to what their retirement contributions would be if they were still making such contributions (Government Code Sections 31625.2 and 31664.1).

In accordance with Board of Retirement Resolution 2021-05-01, and pursuant to the Public Employees' Pension Reform Act (PEPRA) (Gov. 8.3.1 Retirement COLA Cost Share

The County agrees to pay the costs of the contributions which would otherwise be assessed to individual members of SJCERA for their cost of living contributions, and replace it with a cost-sharing ratio in which the employees in these units will pay fifty percent (50%) of the retirement COLA contribution and the County will pay fifty percent (50%) of the retirement COLA contribution.

8.4 Retirement - Sick Leave Conversion

A sick leave credit account shall be established for each employee who: (1) separates from employment and concurrently assumes a retired status, either deferred, service, or disability, in the San Joaquin County Retirement Association; (2) continues such employee's coverage under a County health insurance plan; and (3) has at least one hundred and sixty (160) hours of accumulated sick leave as of the date of separation.

The account shall be credited upon separation with the eligible employee's total number of sick leave days for the purpose of paying the monthly health insurance premiums as well as the dental insurance premium for any dental plan offered by SEIU. For the purposes of this section, each eight (8) hours of sick leave is equal to one (1) day.

The amount of credit allowed for each day of accumulated sick leave shall be calculated as follows:

For any eligible member as this unit employed by the County prior to the date of this Memorandum, the dollar value of the conversion shall be capped at \$221.24 for each eight (8) hours of sick leave.

Any employee hired after August 27, 2001 shall not be eligible for this benefit.

The account shall be eligible for use by the employee and the employee's dependents eligible under the plan, as of the effective date the retired employee is first paid a monetary retirement allowance by the Retirement Association and shall continue until such account is fully depleted, the employee ceases to be a member of the Retirement Association, or the employee and all the employee's dependents cease to be covered by the health insurance plan, whichever first occurs. Retirees who are on deferred status shall be eligible for health insurance coverage but may not utilize such account mentioned above until otherwise eligible.

The amount assumed by the County shall not become part of the employee's accumulated contributions and shall not be considered compensation for purposes of contributions to, or benefits from the San Joaquin County Retirement Association.

9. TRAINING AND EDUCATION

9.1 In-Service and Job Related Training

Employees who participate in County-mandated supplemental education programs shall either be assigned to such programs during their regular working hours or be compensated for each hour spent participating in such programs at the applicable overtime rate in accordance with this memorandum. The County shall comply with all applicable laws and regulations pertaining to workplace health and safety.

The following constitutes the sole health and safety appeal procedure between the parties and the issues brought to this Committee are not subject to appeal under Complaint Procedure.

The Safety Committee will be comprised of one member from each SEIU represented bargaining unit, and an equal number of members designated by the County and will meet for organizational purposes within one month of ratification of this agreement by the Board of Supervisors. Either side may designate alternates. The committee will meet monthly and the committee may change the frequency of the meetings by majority vote.

Members shall be advised of Safety Committee meetings and their agendas in advance.

By majority vote of the Committee, as assigned and scheduled, the Safety Committee members, in Labor Management pairs, will be responsible for conducting workplace safety and health surveys and inspections to identify safety and health hazards at worksites and address worker concerns. County safety personnel will be kept fully apprised of all committee activity, and will assist the committee as requested.

Employees shall report any health and safety concerns first to their immediate supervisor. Employee performance evaluation reports shall be discussed with the employee prior to finalization of each category of the report.

An employee will receive an appointment with their department's reviewing officer to discuss the evaluation by signing the evaluation form in the space provided. Each department shall make a reasonable effort to ensure that the reviewing officer for this purpose has not been a party to the preparation of the evaluation. In no case shall the reviewing officer sign the evaluation form until a review has occurred.

Any regular or special evaluation with a rating of "unsatisfactory" shall include plans for employee development. Except in cases of termination, release from probation, or leave of absence, employees who receive an unsatisfactory performance evaluation must receive a follow-up evaluation. The follow-up evaluation shall cover a period of time no greater than ninety (90) calendar days from the date of the final review of the initial unsatisfactory evaluation.

11.3 Employee Personnel Files

Employees shall have the right to review and at their own expense obtain copies of their County, department, and division personnel files. An employee's representative may inspect the contents of an employee's personnel files upon signed, dated authorization by the employee. Authorization shall be valid for sixty (60) calendar days from the date of signature.

The County reserves the right to withhold from employee review reports of an employee's pre-employment physical examination, records of an employee relating to investigation of possible criminal offense or other legally privileged records.

Employees shall be given an opportunity to read and initial any report to be added to their personnel files, but an employee shall not be required to sign any such report. An employee's signature on a report shall be understood to be acknowledgment of receipt and shall not be construed as agreement or disagreement with its content. If the employee refuses to sign any report, a notation to that effect may be entered on the document. A copy will be provided to the employee upon request.

An employee shall have the right to submit written comments regarding any document in their personnel file and to have such comments included in their personnel file along with the document.

If the reprimand is in the department or division personnel file, the request must be directed to the department head or designee. If the reprimand is in the central Human Resources Division files, the request must be directed to the Director of Human Resources. The department head or designee, or the Director of Human Resources, whichever is appropriate, shall review the request and, within fourteen (14) calendar days render a decision on the request. The decision of any of the above individuals shall be final.

13.1 Replacement of Damaged Property

Except for loss or destruction to currency, the county may provide for the payment of the cost of replacing or repairing property or prostheses of an employee, such as eyeglasses, hearing aids, dentures, watches, or articles of clothing necessarily worn or carried by the employee when any such items are lost or damaged in the line of duty without fault of the employee. If the items are damaged beyond repair, the actual value of such items may be paid. The value of such items shall be determined as of the time of the loss or damage. The Board of Supervisors delegates to the County Administrator the authority to grant or deny claims which do not exceed \$500.

13.2 Uniform Allowance

The County shall provide scrubs to employees who are assigned to San Joaquin General Hospital or to divisions of Health Care Services who are required to wear scrubs.

Any permanent County employee who is a member of the County's Merit System and who is to be laid off or dismissed for other than disciplinary reasons shall be given fifteen (15) calendar days notice. This provision does not apply to probationary, provisional, or temporary employees. Nothing contained herein shall be deemed to require the County to pay an employee except for services rendered.

14.1.1 Meet and Confer

Fifteen calendar days prior to issuing any layoff notices, the County shall notify the union in writing of the proposed layoffs. Such notice will identify the proposed layoffs by department and by classification. Upon the request of the union in writing, the County will meet and confer with the union regarding the effects of the proposed layoffs and will consider any proposals advanced by the union regarding the effects of the proposed layoffs.

14.1.2 Mitigation

In order to mitigate the effect of lay-offs the County will provide employees identified for layoff with the opportunity to participate in an orientation program. The County will make all reasonable efforts to place employees who have been placed on any resulting layoff list. The County shall also provide a monthly mailing of the County Employment Bulletin and any other information deemed relevant by the Human Resources Division to all employees who remain on the layoff list.

14.1.3 Benefits

Employees who are provided a notice of layoff pursuant to section 14.1 of this Agreement shall have their eligibility for employee benefits extended for one pay period beyond the date coverage would have terminated due to the notice of layoff. In such situation the County will make payment for benefits as provided in section 2.3.1 of this Agreement.

14.1.4 Contracting Out Bargaining Unit Work

The County agrees to Provide SEIU with 30 calendar days' written notice whenever the County proposes to take formal action to contract out SEIU bargaining unit work and/or such proposed contracting out results in the direct layoff of an SEIU bargaining unit employee pursuant to Civil Service Rule 17. The County further agrees to meet and confer with SEIU regarding the effects of the proposed contracting out if SEIU submits a written request to the County to meet and confer. This agreement shall not apply to existing contracts, renewals, extensions or amendments for services already contracted out.

14.2 Short Term Staff Reduction – SJGH

The need for short-term reductions in temporary or regular staff within San Joaquin General Hospital will be determined by the Director of Health Care Services and/or the Associate Director and will be based on patient census/staffing considerations within each division. Within the Nursing Division, such determination will be made in conjunction with discussions with Nursing Administration, including, as appropriate, the Director of Nursing, Associate Director of Nursing, Assistant Directors of Nursing, and Nursing Department Managers responsible for shift management (e.g., p.m. and night shift Nursing Department Managers).

Dialysis	2 (1 RN, 1 Dialysis Tech)

14.2.1 Furlough Program

- (a) Fluctuations in patient census and/or financial constraints may lead to an occasional need to reduce staffing in the Department of Health Care Services (DHCS) or San Joaquin General Hospital (SJGH).

In the case of SJGH, the call off order for the affected SJGH department(s):

1. Travelers, contractors/registry, and staff without the necessary skills and/or credentials for the applicable shift's(s') needs
 2. Voluntary furlough staff
 3. Staff immediately eligible to receive overtime
 4. Per diem staff
 5. Part-time staff
 6. Full-time staff
- (b) When the County determines the need for furloughs due to fiscal concerns in the DHCS or SJGH, it will inform the Union in writing of how many furlough days are necessary. The County will develop a plan to maximize the number of furlough hours taken on a voluntary basis, both within SJGH and in the Mental Health, Public Health, Substance Abuse and Correctional Health divisions of the DHCS. Such plan shall include the following provisions, to the extent allowed by patient care needs and skill levels of personnel, as determined by the Director of Health Care Services or the CEO of SJGH (department head) or their designee.
- (1) Voluntary furlough hours may be utilized to offset the number of mandatory furlough hours required under provisions of (c) below.
 - (2) Regular full-time employees who are subject to mandatory furloughs under the provisions of (c) below may volunteer to accept additional mandatory furlough hours on behalf of a designated fellow employee in the same job classification and work unit (unless otherwise determined by the department heads or designee). Those additional mandatory furlough hours will be credited to the designated employee, and the volunteer will be treated under the provisions of (c) below.
 - (3) Employees who volunteer for furloughs shall be treated for payroll purposes in accordance with section (c) below, subsections (8), (9) and (10).
 - (4) By means and manner approved by the department heads or designee, volunteers for furlough will be solicited by County and Union representatives.

(c) Mandatory Furloughs

Should financial needs so dictate, or should changes in patient census occur, or if in the discretion of the CEO of SJGH volunteer efforts within SJGH have proven insufficient to address the Department's financial needs, the County may impose mandatory furloughs at San Joaquin General Hospital only. The following conditions will govern the furlough program applicable to regular staff at San Joaquin General Hospital:

- (1) Furloughs will depend on patient care needs, skill levels of personnel, and kinds of staffing levels required for safe patient care as determined by the CEO of SJGH or designee.
- (2) Furloughs may be determined on a shift-by-shift, hourly, and/or unit basis and may result in the temporary reassignment of remaining staff for the remainder of that shift.
- (3) Seniority and employment status will not be factors in the scheduling of furloughs.
- (4) Advance notice, to the extent allowed by patient care needs, will be provided to employees being furloughed. Reasonable effort will be made to notify employees at least two hours prior to the start of each shift. However, employees may be furloughed after appearing for work. Employees who are at work and are furloughed during the shift will, upon request, be allowed to work a minimum of one half of their scheduled shift.
- (5) If an employee is notified that they are being furloughed and is then asked to report to work for the same shift, the employee will be guaranteed a full shift whether or not the employee works a full shift. Such an employee may not be ordered to return to work.
- (6) Individual employees will not be furloughed more than once in any given pay period unless the employee so requests.
- (7) Every attempt will be made to assure that furloughed employees receive their regularly scheduled days off. If conditions change during the pay period in which the furlough occurred, the employee may volunteer to make up the furloughed day on a scheduled day off at straight time. If, however, an employee is required to work on a regular day off in that pay period, the employee will be guaranteed overtime pay.
- (8) Regular full-time employees affected by furloughs will maintain full seniority for retirement and lay-off purposes.

- (9) Employees affected by furloughs will accrue sick leave and vacation benefits as though the furlough had not occurred.
- (10) No furloughed employee, regardless of the number of hours furloughed, will lose medical, dental, or vision benefits as a result of being voluntarily or involuntarily furloughed.
- (11) Employees who are at work and are sent home on furlough will get paid a minimum of half of their scheduled work shift.
- (12) Employees will not be subject to mandatory furloughs more than sixteen (16) hours during the first half of the fiscal year. An additional eight (8) hours of involuntary furlough will be implemented during the second half of the fiscal year only if, as determined by the CEO of SJGH, (a) the department has continuing patient census/financial constraints, and (b) volunteer efforts were insufficient.

15. SUBSTANCE ABUSE REFERRALS

Service Employees International Union acknowledges the right of Department Managers (at the Middle Management level and above) to refer employees suspected of being under the influence of alcohol or drugs while on duty to be evaluated as to their ability to perform their job. In acknowledging this right, the Union does not relinquish its right of individual employee representation or to challenge managers who use this provision without direct observable behaviors to support the referral.

The County shall offer training to Department Managers to aid in their detection and evaluation of behaviors which may lead to a referral. The County shall report to SEIU, on a statistical basis, the results of referrals of employees so long as employee and patient confidentiality are not violated.

The County and SEIU jointly recognize the value of the County's Employee Assistance Program in the evaluation and resolution of employee problems associated with substance abuse.

18. ADVISORY ARBITRATION

As an alternative procedure for the resolution of impasses, the County and SEIU may, upon mutual agreement, including agreement as to procedure, submit matters in dispute in the course of the meet and confer process to advisory arbitration. Further, disputes arising in a context other than the meet and confer process, e.g. disputes relating to administration of this Memorandum, to formal complaints, to interpretations of codes, resolutions, Board Orders, and ordinances dealing with

employee rights and benefits shall, upon mutual agreement, be processed through an impasse procedure. Neither this Section nor the exercise of the option to utilize an impasse procedure shall be deemed as making any matter which is reserved to the County as a right of management in the Employer-Employee Relations Policy a matter subject to the meet and confer process.

19. DISCIPLINARY ACTIONS

19.1 Applicability

These procedures are not applicable to temporary, part-time, contract or probationary employees except as specified in Section 19.8.

To initiate disciplinary action against a permanent, Civil Service employee, the Appointing Authority must follow the provisions of Civil Service Rule 18. The Appointing Authority must submit to the employee a written notice of intent to take disciplinary action and file a copy with the Human Resources Division. The notice must state specifically the reason(s) for the action and explain the employee's "Skelly" rights of appeal.

19.2 Request for Hearing

The employee may appeal the proposed action and request a hearing by responding in writing to the Appointing Authority within seven (7) calendar days of receipt of the notice. Upon receipt of a timely response, the Appointing Authority shall schedule and conduct a "Skelly" hearing as soon as possible.

19.3 Rights of Access

The employee shall be given access to copies of all materials supporting the proposed action and shall be provided with copies upon request.

19.4 Representation

The employee may be represented at the hearing by a representative of the employee's choice.

19.5 Conduct of Skelly Hearing

The Appointing Authority or designee shall be the hearing officer at the informal "Skelly" hearing. Upon consideration of all materials and discussions presented at the hearing, the Appointing Authority may determine to uphold, modify, or revoke the proposed disciplinary action.

19.6 Order of Disciplinary Action

If the employee does not respond to the notice of intent within the prescribed time limits, or if, after hearing, the Appointing Authority determines that disciplinary action is appropriate, the Appointing Authority shall submit to the employee a written order of disciplinary action. The order shall state the proposed action, the reasons for the action, and the employee's rights of appeal.

19.7 Appeal of Order of Disciplinary Action

The employee, within seven (7) calendar days after the order is furnished to the employee, may appeal the order in writing to the Director of Human Resources. The employee, in making the appeal, shall designate in writing whether the matter will be heard by the Civil Service Commission or whether the matter will be submitted to binding arbitration. In accordance with the provisions of Civil Service Rule 18, selection of one appeal method shall exclude the possibility of appeal through the alternate procedure on the same issue.

Appeal and arbitration hearings shall be conducted in accordance with Civil Service Rule 18.

19.8 Part-time Employee Serious Discipline Appeal Procedure

The procedures described herein shall be the sole procedure to appeal the serious discipline (as defined in the Civil Service Rules, Rule 18, Section 1) of part-time employees. This appeal procedure shall not be available for any type of employment action that does not constitute serious discipline as defined in this agreement.

Eligibility

Employees designated as part-time who have worked a minimum of 1560 hours of unbroken service (not taken off payroll) in the same classification and department.

Review Process

Part-time employees who have been subjected to serious discipline may request a review meeting by submitting a written request to the Appointing Authority of the employee's department within seven (7) calendar days of being notified of the serious discipline. The serious discipline of the part-time employee shall not be stayed or delayed pending completion of the review meeting.

Upon receipt of the request for a review meeting, the department shall provide a statement setting forth the reasons for the serious discipline and the materials supporting the decision within seven (7) business days. The part-time employee may be represented at the review meeting by a representative of their choice. Should the department fail to respond in the timeframe or fail to seek an extension, the employee may request the Director of Human Resources to review the matter. Requests must be received by the Director of Human Resources within seven (7) business days of the original deadline.

After completion of the review meeting, the Appointing Authority or designee shall determine whether there was a sufficient basis for the serious discipline. The Appointing Authority or designee shall then affirm, modify, or revoke the serious discipline in a written decision setting forth the basis for the decision. This decision shall be final, binding and non-appealable.

20 ENTIRE AGREEMENT

Except as otherwise specifically provided herein, the Memorandum of Understanding (MOU) fully and completely incorporates the understanding of the parties hereto regarding the provisions contained in this MOU. The parties, for the term of this Agreement, do not waive the obligation to negotiate with respect to any practice, subject, or matter within the scope of bargaining not specifically referred to or covered in this Agreement. In the event the County proposes a change in any practice, subject, or matter which is within the scope of bargaining and is not covered by this Agreement, the County will give the Union advance written notice of the proposal and will, upon request of the Union, meet and confer with the Union concerning the proposal.

TOTAL COMPENSATION STUDY

The County and the Association agree to a total compensation study using Contra Costa, Sacramento, Stanislaus, Kern, Fresno, Ventura, Tulare, Santa Clara, Sonoma, and Alameda Counties.

The results of the study will be used as the basis for discussion of equity adjustments during the successor agreement. For the March 2011 survey it is understood that equities are not a guarantee as a result of the survey, but will be the subject of negotiations.

The County will survey key, or benchmark classifications and will compare the benchmark classification in the surveyed counties with an emphasis on comparing job duties and requirements.

The survey will be conducted by a firm that is selected by the Human Resources Division. Prior to awarding the contract the County will discuss the County's choice for the preferred vendor with the Union. Upon completion of the survey, the Labor Relations Division will share the raw data and the process, as it is available, with the Association. The County will pay the cost of the survey.

Based on the core items listed below, the study will calculate the median as it relates to the surveyed jurisdictions.

If there are less than six (6) matches in the ten (10) jurisdictions the County will rely upon other factors including but not limited to internal relationships, recruitment and retention.

The Core survey elements that will be translated into a monthly figure are:

1. Wages – Top Step Monthly Salary
2. Deferred Compensation – Employer contribution
3. Health Benefits Insurance Premiums – Maximum county contribution for family coverage (Currently available plan only)
4. Dental Insurance Premiums – Maximum county contribution for family coverage
5. Vision Insurance Premiums – Maximum county contribution for family coverage
6. Life Insurance – Monthly amount
7. Long Term Disability Insurance – Monthly amount

Non-Core survey elements to be gathered:

1. Amount and date of last salary increase

2. Amount and date of any future negotiated salary increases
3. Expiration date of Memoranda of Understanding
4. Retirement Formula and employer contribution percent
5. Shift Differential
6. Retiree Medical Benefits
7. Sick Leave payout
8. Sick leave incentive plans
9. Bilingual pay
