PREAMBLE

This AGREEMENT, hereinafter referred to as the Agreement, entered into by the COUNTY OF SOLANO, hereinafter referred to as the County, and SERVICE EMPLOYEES INTERNATIONAL UNION, SEIU, LOCAL 1021, CtW, CLC, hereinafter referred to as the Union, has as its purpose the promotion of harmonious labor relations between the County and the Union; establishment of and equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

Representatives of the County of Solano and the Service Employees International Union, SEIU, Local #1021 CtW, CLC, have met and conferred in good faith regarding wages, hours and other terms and conditions of employment, have freely exchanged information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

The legal relationship between the Service Employees International Union, SEIU, Local #1021 CtW, CLC (“Union”) and the County of Solano (“County”) is governed by the Meyers-Milias-Brown Act (California Government Code sections 3500, et. seq.), the County’s Employer-Employee Relations Rules and Regulations, the Civil Service Rules, and this Memorandum of Understanding. Whenever this Memorandum of Understanding contains a provision relating to the subject matter which is also referred to in the Civil Service Rules or any other county ordinance, policy or regulations, the provisions of this Memorandum of Understanding shall prevail.

The term “Agreement” as used herein means the written agreement provided under Section 3505.1 of the Government Code.

1. RECOGNITION

1.1 Union Recognition

The County recognizes the Union as the recognized employee organization for:

Unit #5, Health and Welfare Service Employees

Classifications represented under this Agreement are identified in **Appendix A**.

1.2 County Recognition

The Union recognizes the Director of Human Resources or the director’s designee as the County’s designated representative for negotiations.

2. TERM

This Memorandum of Understanding shall be in effect the later of October 22, 2022 or on the date it is adopted by the Board of Supervisors, except for these provisions of this Memorandum of Understanding

which have been assigned other effective dates and shall remain in full force and effect up to and including October 25, 2025.

3. UNION SECURITY AND UNION RIGHTS

3.1 Union Dues

- A. Employees may sign up for Payroll Deductions of Union Dues with the Union. The Union will certify changes or new authorizations for dues deductions from members of the Union, in an electronic data file to be transmitted to the County's Auditor Controller's Office – Payroll Bureau. If the employees opt for such deduction, it is understood that the dues will be deducted starting from the first day of the pay period following receipt of the certification and shall continue until:
 - 1. The last day of the last pay period following the transfer, promotion, or demotion of the employee to a non-SEIU bargaining unit; or
 - 2. Until the end of the pay period following notification from the Union to the County to cease deducting Union dues, or a later date as specified by the Union (to coincide with the end of a pay period).
- B. The County shall promptly, and no later than thirty (30) days, pay over to the Union all sums so deducted. It shall be the sole responsibility of the Union to procure and enforce employees' authorization for payroll deductions of dues.
- C. The employee's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees check-off authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over Union dues and service fees.
- D. The County will not deduct any Union fines or penalties from the pay of any employee.
- E. The County agrees to provide a payroll deduction for members to make a voluntary bi-weekly contribution to the Union Political Action Committee (PAC).
- F. **Programming Fee** – The union shall reimburse the County for actual, reasonable and necessary costs of reprogramming in order to implement this agreement. Such costs shall not exceed the Union's share of such costs to be determined by dividing the total number of each Union's represented employees subject to agency shop by the total number of

County employees subject to agency shop and by multiplying this quotient times the total cost.

- G. **Indemnification** – Union shall, at its sole expense, defend, indemnify, and hold harmless the County, its officers, employees, representatives, and agents from any and all claims, liabilities, actions, lawsuits, damages, or expenses arising out of the inclusion of the provisions of Section 3 of this agreement of the administration or enforcement thereof. Union’s obligation under this paragraph includes, but is not limited to, the employment and payment of qualified legal counsel to represent the exclusive interest of the County and such of its officers, employees, representatives and agents as may be necessary upon demand of any of same. Failure of Union to comply with the provision of this paragraph after reasonable notice by County shall entitle County, at its option, and without further notice to the Union, to rescind the Agency Shop provisions of this agreement for the unexpired term of any collective bargaining agreement.

3.2 Union Rights

6. Chapter President

The County will recognize one (1) County employee from among those Solano County bargaining units represented by SEIU Local 1021 as the official SEIU Local 1021 Solano County President, hereinafter referred to as the “President.” The County will allow the President, or when the President is unable to attend, the Vice-President, up to sixteen (16) hours per pay period of paid time away from work to conduct Union business. The President or Vice President shall obtain permission from his or her immediate supervisor prior to leaving work, in accordance with departmental policy. Any expense incurred by the President or Vice President shall be borne by the Union.

Reasonable adjustment shall be made to the President’s workload to accommodate the release time provided for Union business. In return, the President will make every effort to provide their supervisor and department director with their release time needs Seven (7) calendar days in advance.

The Union’s elected President may be provided County time off with pay to attend trainings which would, in the judgment of the Human Resources Director (or the Director’s designee from within Human Resources), be mutually beneficial to the County and the Union. This may include providing up to eight (8) hours of paid release time for a newly appointed President in their first year in office, and up to four (4) hours per year, in years thereafter, for training in cooperative employer-employee relations techniques. Prior to the training, the Union shall provide to the Director of Human Resources or the Director’s designee, an outline of training topics and the schedule of training dates.

B. Stewards

1. The County agrees to recognize up to fifteen (15) employees appointed and formally designated in writing to the Director of Human Resources and applicable department head by the Union, as official Stewards. Employees designated as

stewards may be relieved from their assigned duties by their supervisor to assist an employee, to investigate and/or present a grievance, provided the release time is scheduled for reasonable times agreeable to all parties. The Steward shall obtain permission from their immediate supervisor prior to leaving work.

The Union is free to appoint whomever they deem appropriate, with consideration given to geographic location, provided the Director of Human Resources and appropriate department head are given at least one week's advanced written notice of all appointments and changes. The Union agrees to provide comprehensive training on other than County time for Stewards, prior to their appointment, in the techniques and art of good employer-employee relations and in all aspects of the rules and other terms and conditions of County employment.

Reasonable adjustment shall be made to the steward's workload to accommodate the release time provided for Union business.

The Union shall quarterly in January, April, July and October provide an updated list of stewards to Human Resources. The Union shall inform the Human Resources Department in writing of any additions or deletions of individual stewards within fourteen (14) calendar days of such a change.

2. Any expense incurred by a steward shall be borne by the Union. It is understood that the primary role of the Steward is to investigate and resolve grievances initiated by employees in their respective Representation Unit at the initial informal stages and not to conduct general union business or to solicit membership in the Union. Because of the nature of the office, it shall be the special responsibility of each official Steward to promote and maintain good morale and employer-employee relations and to conform to all rules of conduct and standards of performance established by law, regulation, County or departmental policy or this Memorandum of Understanding. Stewards shall not participate during the employee-immediate supervisor informal discussion stage of the Grievance Procedure.
3. The County shall provide up to eight (8) hours paid release time per year for newly appointed stewards and up to four (4) hours paid release time for all other stewards for the purpose of Union training in cooperative employer-employee relations techniques. Prior to the training, the Union shall provide to the Director of Human Resources or the Director's designee, an outline of training topics and the schedule of training dates.
4. An employee has the right to Union representation in meetings with a supervisor or administrator, if the meetings are investigations or discussions, which could lead to disciplinary action against the employee.
5. The County shall mail to the Union one (1) copy of each change or update to the County Personnel and Salary Resolution, Civil Service Rules or Employer-Employee Relations Rules and Regulations. These changes or updates may be reproduced by the Union and distributed to Stewards at the discretion of the Union.

C. Use of County Facilities

The County agrees to grant the free use of County conference and meeting rooms to the Union, as provided by Section 10 I and I of the Solano County Employer-Employee Relations Rules and Regulations, provided such use is authorized by the County Administrator or their designees.

D. Bulletin Boards

The County agrees to make bulletin board space available to the Union in accordance with the provision of Section 10 (d) of the Solano County Employer-Employee Relations Rules and Regulations.

E. Union Business

Employees may submit a request for leaves of unpaid absence to conduct Union business pursuant to existing contract language for unpaid leaves.

F. Payroll Deductions and Pay Over the County shall deduct Union dues and premiums for approved insurance programs from employee's pay in conformity with State and County regulations. The County shall promptly pay over to the designated payee all sums so deducted.

1. The County shall provide a list of employees newly hired and all recently separated employees covered by this Memorandum of Understanding to the Union on at least a monthly basis.

a. Within thirty (30) days from the date of hire, the County shall provide the Union an electronic list with the following information for newly hired represented bargaining unit employees:

1. Full name (last, first and middle name or initial)
2. Employee I.D. number
3. Bargaining unit
4. Department
5. Job Title
6. Work location
7. Appointment type (regular or limited term, full-time, part-time, extra help)
8. Hire date
9. Job class entry date
10. Salary schedule step
11. Hourly rate
12. Health plan selected

13. Home address

14. Phone numbers (work numbers, home number, and personal cell number)

15. Email addresses (County and personal)

b. Commencing on November 5, 2017, the information described in section 3.2.F.1.a shall be provided to the Union for every bargaining unit member and following this date every third calendar month thereafter (i.e., every February 1, May 1, August 1, and November 1).

G. Union Release Time

The Union may directly reimburse the County for an employee's salary and benefits while on County approved leave of absence for Union related business. The Union shall indemnify and hold harmless the County for any County liability and/or loss under this paragraph.

H. Union Business

Employees may submit a request for leaves of unpaid absence to conduct Union business pursuant to existing contract language for unpaid leaves.

I. Waiver of Election for Newly-Represented Employees and New Representation Units

The accretion of classifications and/or employees to representation units set forth in this Memorandum of Understanding shall not require an election for the application of this provisions to such classifications and/or employees. The recognition of newly established bargaining units and the inclusion of the same within this Memorandum of Understanding shall also not require an election for the application of this to such units.

J. Human Resources New Employee Orientation

1. The County agrees that each newly hired employee shall participate in a mandatory and in-person orientation meeting(s) as part of the Mandatory New Employee Orientation. The County shall inform the newly hired employee in advance that participation in the New Employee Orientation is mandatory. A meeting agenda for each Orientation will be emailed to the Union representative ten (10) days in advance of the meeting.
2. Up to two representative(s)/designees of the Union shall be provided an opportunity to present to employees at the New Employee Orientation, for no more than 30 minutes. Employees will not suffer a loss in compensation for such time.
3. A newly hired employee who does not attend the Orientation shall be required to attend a mandatory make up session during the next County Employee Orientation.
4. Union designee(s) shall conduct the sessions covered under this Agreement. The Union's representatives will be a Union staff member, the Union President, the Union Vice President or a member designated on the "New Employee Orientation Representative list." This list is composed of a maximum twenty (20) representatives across all SEIU bargaining units who are eligible for release time

- to attend the Union’s presentation at New Employee Orientation. The Union will provide the list to the County by the end of the 30th calendar day following the effective date of this side letter. The Union may remove and add names, without exceeding twenty (20) representatives, twice annually during the months of July and December.
5. The County shall advise the employee organization of the dates and times at which the Union Representative can present to employees covered by their bargaining unit. Such notice shall be provided at the earliest opportunity but no later than ten (10) days before the scheduled orientation. The County shall electronically send to the Union at least forty-eight (48) hours in advance of a New Employee Orientation a list of expected participants. Individuals not on the list and who show up for New Employee Orientation may be denied entrance by Human Resources to that particular New Employee Orientation meeting.
 6. The County shall grant release time to two Union designee(s), which shall include reasonable time for travel and set up without loss in compensation to conduct any sessions for new employee orientation. The Union shall provide the names of the representative(s) who are requested for release time for the Union’s presentation at New Employee Orientation to the County at least forty-eight (48) prior to the scheduled New Employee Orientation.
 7. The Union agrees to stay within its designated time period and will not cause a delay to the new employee orientation schedule. For example, if the Union representative is scheduled to present from 9:00a.m. – 9:30a.m., and they arrive at 9:20a.m., the Union representative shall have from 9:20a.m. – 9:30a.m. to present. If the Union representative arrives at 9:35, they will have waived their opportunity to present to the group. No additional time or rescheduling will be afforded. However, if the Union representative is unable to make the schedule time, the County agrees to make Union provided information available to newly hired employees, as long as no information pertaining to either local or partisan elections is included in the Union provided information.
 8. If the Union representative(s) is not available to present at its designated time slot, the Union will be deemed to have waived its right to present at that meeting. No additional time or rescheduling will be afforded.
 9. The County will provide the Union an environment for the Union’s presentation that is as reasonably free from distractions and conducive to presentation as the environment in which the County portion of the agenda occurs. If multiple Unions attend HR’s New Employee Orientation, each Union will meet with employees of the bargaining group at the same time. Separate meetings rooms may be provided but are not guaranteed; however, groups will be divided into “break-out” sessions in the room and/or close proximity to the room scheduled for new employee orientation.
 10. The County will not observe or disturb the Union presentation.
 11. The Union agrees to not disparage the County and/or its supervisors or management during this meeting.
6. The County and Union agree that this Agreement shall be subject to all relevant sections of the MOU, including, but not limited to, the grievance procedure.
 6. The County will provide the Union with information pursuant to AB 119 and MOU section 3.2.F.

4. COUNTY MANAGEMENT RIGHTS

The County management rights are provided for in the Employer-Employee-Relations Rules and Regulations (EERRR), Article 2, Section 3, and are incorporated herein by reference.

5. SALARIES

5.1 Salary Range and Pay Date

Salary ranges for classifications represented by the Union are listed in Appendix A of this agreement. Employees and officers shall be paid every other Friday.

5.2 Pay for New Employees

Normally new employees shall be appointed at the recruiting step of the salary range in effect for the particular class of position to which the appointment is made.

The Department head/appointing authority may authorize that a particular position be filled at step one, two or three following guidelines issued by the Department of Human Resources. Requests for appointments at step four or five must be approved by the Director of Human Resources.

5.3 Salary Upon Reemployment

- A. A former employee, off probation at the time of separation, who is reemployed in a represented position in the County, in the same class or in a lower class in the same series, within two (2) years, may upon the request of the head of the department in which they are being reemployed and approval of the Director of Human Resources, be appointed at any step within the salary range. Subsequent merit increases shall follow the normal time period progression between steps.
- B. A represented employee who voluntarily separates and:
 - 1. is subsequently reemployed in the same department in a represented position;
 - 2. begins work within a period of not more than 180 calendar days from the last day the employee previously actually worked for the County;
 - 3. completes a new probationary period; and
 - 4. either did not withdraw from PERS or “bought-back” their County PERS service credits, shall, upon approval by the Director of Human Resources (or the director’s designee from within the Human Resources Department), have continuous service credited to the employee for purposes of vacation and longevity pay eligibility. Prior service restored shall not apply toward seniority for lay-off purposes, floating holidays, step raise eligibility on any benefit other than vacation and longevity eligibility.

5.4 Merit Increases within Range

- A. Merit increases shall not be automatic, but shall be given only upon the recommendation of the department head or designee.

- B. The merit increase eligibility dates for all employees hired or promoted into classifications in this unit shall be the first day of the pay period following completion of 26 full pay periods as indicated in the chart below.

After	26 Pay Periods	26 Pay Periods	26 Pay Periods	26 Pay Periods
Salary Range Steps	2	3	4	5

If an employee begins their employment on the first working day of a pay period, it shall be considered for purpose of this Section that such employment began on the first calendar day of that pay period. If the employee's first working day is after the first Monday (Tuesday, if Monday is a holiday) of the pay period, their time will accrue from the first day of the next pay period for step increases and eligible fringe benefit accrual determinations.

The granting of any leave of -absence without pay, other than military leave or workers' compensation leave, exceeding seven (7) consecutive calendar days in a pay period shall cause the merit increase eligibility date to be deferred by an amount equal to one full pay period for every full or partial pay period the employee was on the leave-of-absence without pay.

- C. An employee in a regular part-time position shall be treated identically to the employee in the regular full-time position; except, that the employee shall be granted merit increases in the same proportion as the employee's hours of work relate to the hours of work of a regular full-time position.
- D. Advancement within a salary range is not automatic for merely completing a specific period of service but rather based on merit as documented on a performance evaluation form prescribed by the Director of Human Resources or the Director's designee. The merit increase shall consist of one step on the salary schedule for the class. A performance evaluation must be submitted within six (6) pay periods following the employee's performance evaluation eligibility date. If the supervisor fails to render a performance evaluation within the specific timeframe, then the employee's overall performance shall be assumed to be satisfactory and the employee shall receive, if available, a salary step increase effective on the scheduled date.
- E. Merit Increase Deferral: If, in the department head's (or designee's) judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date, and a deferment of a decision accompanied by an intensive effort at improved performance might be productive, the department head or designee shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. An overall evaluation of either unacceptable or improvement needed requires a performance re-evaluation no later than four (4) pay periods following the scheduled merit increase eligibility date. A merit increase may be deferred only once for any given step on the range for the class. The responsibility for reopening the matter by submitting another merit rating and recommendation shall lie with the department head or designee. At the end of the deferral period, the employee must be re-evaluated and a decision must

be made to grant or deny the merit increase. The employee's merit increase eligibility date shall not be changed by such deferment.

- F. Merit Increase Denial: If in the department head's (or designee's) judgment, the employee's performance is unacceptable or improvement is needed and the employee's performance does not merit a salary increase on the merit increase eligibility date, or after a period of deferment, the merit increase shall be denied until the next evaluation cycle twenty-six (26) pay periods from the most recent evaluation due date. Should an employee's merit increase eligibility date be overlooked through an error, and upon discovery of the error, the employee be recommended for merit increase, the Auditor-Controller shall compensate the employee for the additional salary the employee should have received dating from their merit increase eligibility date.
- G. Should an employee's merit increase eligibility date be overlooked through an error, and upon discovery of the error, the employee is recommended for merit increase, the Auditor-Controller shall compensate the employee for the additional salary the employee should have received dating from their merit increase eligibility date.

5.5 Salary Upon Promotion

Any regular, probationary or limited-term employee who is promoted to a position with a higher salary range (top step) shall receive the recruiting salary for the class or such higher amount as would constitute at least a five percent (5%) increase over the salary received prior to the promotion, not to exceed the top step of the new classification. When circumstances warrant, the Director of Human Resources, or the Director's designee, may authorize the filling of the position at a step within the new salary range that is greater than the minimum increase set forth above. The effective date of all promotions shall coincide with the first day of the pay period.

5.6 Salary Upon Transfer

When an employee is transferred from one position to another in the same class or when the top steps of the classes are the same, the salary and merit increase eligibility date shall not change.

5.7 Salary Upon Demotion

- A. When a regular employee is demoted for reasons of unsatisfactory performance, the employee's salary shall be reduced one step, or the employee shall receive the maximum salary step of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of the number of pay periods service which corresponds with the required period of service as is governed by this Memorandum of Understanding.
- B. When a regular employee in good standing is demoted as an accommodation for ADA purposes or reasons other than unsatisfactory performance the employee shall receive the highest salary in the new classification that does not exceed their rate of pay immediately prior to demotion. The merit increase eligibility date to which the employee was entitled prior to demotion shall be retained.
- C. When a probationary employee is demoted to a class not previously occupied by the employee, they shall receive the recruiting salary for the lower class and shall receive a

new merit increase eligibility date as provided by the provisions of this Memorandum of Understanding. A promotional probationary employee demoted to a class formerly occupied in good standing shall retain the step status, probationary status and merit increase eligibility date that would have been achieved if the employee would have remained in the lower class.

5.8 Salary Upon Reclassification

The salary of an incumbent regular or probationary employee in a position, which is reclassified, shall be determined as follows, if the incumbent remains in the position that is reclassified:

- A. If the position is reclassified to a class with the same salary range, the salary and the merit increase eligibility date of the employee shall not change.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by the provisions of Section 5.5., Salary Upon Promotion of this MOU.
- C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be determined as follows:
 - 1. If the salary of the employee is the same or less than the maximum salary of the new class, the salary and merit increase eligibility date of the employee shall not change.
 - 2. If the salary of the employee is greater than the maximum of the new salary of the new classification, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum salary of the new classification exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range for the new classification, the salary of the employee shall be reduced to the maximum salary for the new class.

<u>Years of Continuous Regular Service</u>	<u>Effective Date of Salary Change</u>
Less than 5	2 years from date of reclassification
5 but less than 10	3 years from date of reclassification

20 but less than 25	6 years from date of reclassification
25 or more	7 years from date of reclassification

5.9 Longevity Compensation

- A. All employees employed in regular or limited-term full-time positions, upon the completion of ten (10) years continuous full-time service, shall be entitled to a two and one-half percent (2.5%) increase in compensation; additionally, employees who complete twenty (20) years of continuous full-time service, shall be entitled to an additional two and one-half percent (2.5%) increase in compensation (a total of 5%); additionally, employees who complete twenty-five (25) years of continuous full-time service shall be entitled to an additional two and one-half percent (2.5%) increase in

The employee will forfeit all unused funds remaining in their HCRA at the end of the plan year or at the end of the grace period, if any, allowed under the County’s Plan Document, whichever is later. During the period allowed under the Plan Document, the employee may use the funds in their HCRA to obtain reimbursement for otherwise unreimbursed eligible medical expenses.

The employee will forfeit all unused funds in their DCRA at the end of the plan year or at the end of the grace period, if any, allowed under the County's Plan Document, whichever is later. During the period allowed under the Plan Document, the employee may use the funds in their DCRA to obtain reimbursement of eligible dependent care expenses.

The County's contribution will be a pro-rated amount of the full-time premium for regular or limited-term part-time employees in proportion to the relationship their basic workweek bears to forty (40) hours. 6.8 Short Term Disability Insurance

If the Union establishes a group rate Short Term Disability Insurance policy for bargaining unit members during the term of this contract, the County shall administer the voluntary payroll deduction collected for this program and forward the amount collected directly to the Union for

payment to the insurance carrier. The “hold harmless” provisions of **Section 3**, Union Security and Union Rights, will also be applied to this provision.

The State's Employment Development Department administers two programs for employees who need time off from work. Disability Insurance for time taken due to an employee's own non-work related illness or injury, and Paid Family Leave for time taken to care for a seriously ill family member, or to bond with a new child. For the purposes of this agreement, both programs will be referenced as State Disability Insurance (SDI).

The County participates in the State Disability Insurance program for employees represented by this bargaining unit, and employees shall have deducted from their paychecks the cost of the State Disability Insurance program.

- A. In the event of a disability which is non-industrial or where industrial causation has yet to be determined, or for time taken to care for a seriously ill family member, or to bond with a new child, employees shall make timely application for SDI benefits.
- B. The County will continue to pay the employer share of the monthly premiums for medical, vision, dental and life insurance coverage on behalf of a qualified regular full or part-time employee who is receiving SDI for the period of time that the employee has and utilizes leave accruals to fully integrate or for the period of time the employee is on approved FMLA or CFRA leave, whichever period is longer.
- C. An employee who exhausts their ability to fully integrate accrued leave with SDI shall be eligible to apply for donated leave time from the Catastrophic Leave Bank. 6.10 Retirement

A. PERS Contract.

Subject to the terms of this **subsection 6.10**, the County will maintain its contract with the State Public Employees' Retirement System (PERS) and the benefits currently provided there under.

B. PEPRA Tier.

Effective January 1, 2013, the County implemented a new pension tier in accordance with and subject to the terms of the Public Employees' Pension Reform Act of 2013. The new pension tier is referred to in this MOU as the "PEPRA tier."

C. PEPRA Basic Retirement Formula.

For non-safety (miscellaneous) employees required by law to participate in the PEPRA tier, the PEPRA established a pension formula of two percent (2%) of pensionable compensation for each qualifying year of service at the normal retirement age of sixty-two (62) years. For purposes of this formula, PERS will calculate an eligible retiree's pension based on the average annual pensionable compensation earned by the member during the thirty-six (36) consecutive month period immediately preceding retirement (or date of last separation from service if prior to retirement) or any other period of thirty-six (36) consecutive months during the member's applicable service that the member designates.

D. Disputes Over PEPRA.

If an employee or the Union disputes the manner in which the County applies the PEPRA Tier to a bargaining unit member, neither the Union nor employee may submit the matter as a grievance under the Grievance Procedure set forth in section below. If any term of this MOU conflicts with the PEPRA or any amendment thereto, the PEPRA or such amendment will prevail.

E. Pre-PEPRA Tier.

The County's contract with the Public Employees' Retirement System provides the Miscellaneous Retirement (2.7% @ age 55) for employees in the bargaining unit who are not required by law to participate in the PEPRA Tier and who are not participants in the formula described in **6.10.F** below.

F. Pre-PEPRA Tier 2

The County amended its contract with CalPERS to provide employees hired on or after May 4, 2012, in bargaining unit classifications with a Miscellaneous Retirement formula of 2% @ age 60 in lieu of the 2.7% at 55 formula described in subsection **6.10.E** above. This provision applies to employees who are not eligible under the County's contract

with PERS to participate in the pension tier described in paragraph **6.10.E** above and who are not required by law to participate in the PEPR tier described in paragraph **6.10.C** above.

G. Employee Payment of PERS Member Contributions.

1. PEPRA Member Contributions.

Members of the PEPRA Tier will contribute toward the PEPRA Tier an employee contribution in an amount equal to not less than fifty percent (50%) of the normal cost of the new tier, as determined from time to time by PERS, or the amount of the contribution provided by this MOU for members of the PEPRA Tier, whichever is greater. Such contribution will be made by payroll deduction.

2. Non-PEPRA Member Contribution.

Employees subject to the Pre-PEPRA formulas described in paragraphs **6.10.C** and **6.10.E** above contribute the entire applicable PERS member contribution by payroll deduction.

3. Employee Payment For Pre-PEPRA Formula Enhancement.

In November 2002, the County amended its contract with PERS to provide for the above-referenced 2.7% @ 55 retirement formula. The cost of this benefit was established by PERS (\$75,036,452). The Parties agreed that such cost would be the responsibility of the employees. The county agreed to allow the employees to pay for that plan enhancement by payroll deduction with the cost amortized over twenty (20) years. That payment will continue to take the form of a percentage deduction made from the paycheck of each employee in the plan, until the above established cost has been recovered. Each year (January) the County will calculate the amount due for the subsequent 26 pay periods, based on the formula presented during negotiations (see appendix D). Cost sharing will end after 20 years (November 2022).

4. Pre-Tax Treatment PERS Member Contributions.

To the extent permitted by applicable law, employee contributions toward the Employee's PERS contribution made pursuant to this MOU will be deducted on a pre-tax basis pursuant to and in accordance with section 414(h)(2) of the Internal Revenue Code.

H. Employer Cost Sharing.

The parties agree to equally share in PERS employer rate increases for employer rate costs over 14%-16% as an additional employee deduction. This provision shall sunset on January 1, 2017.

6.11 Social Security and Medicare

- A. All employees shall be covered under Federal Social Security in accordance with the provisions of law. This system requires contributions by both the employee and employer in accordance with schedules provided by the federal government.

 - c) Duplicate in-service training which is available.
 - d) Duplicate training which the employee has already had.
 8. Conventions, workshops, institutes, etc., are not included in the Tuition Reimbursement Program. An exception may be made for conferences, institutes or workshops when these events provide the employee with continuing education units (CEUs) which are required to attain or maintain a certification or license which is required by the County for the employee's position. Attendance at such an event and the eligibility for inclusion under this education Reimbursement provision must be approved by the Department Head in advance.
 9. Reimbursement shall be subject to certification by the department concerned that the course of study is directly related to the work of the employee.

E. Procedure for Tuition Reimbursement

The employee shall submit their request to their department head who shall either recommend approval of the request or deny it, based on the criteria set forth in this policy. If the department head recommends approval, the department head shall forward the application to the Director of Human Resources or the Director's designee.

The employee shall apply for Tuition Reimbursement through such supervisory channels as are designated by the department head, on forms provided by the Director of Human Resources or the Director's designee.

B. Standby

1. **Standby: Child Welfare Services**

If Workers trade standby time, it must be in the appropriate block of time indicated in Section 8.4.B.3 below, and reported to the answering service in a timely manner.
 1. Social Worker III's who volunteer for standby duty may be assigned as necessary during a six (6) consecutive month period. The County will give as much notice as possible to Workers if it is necessary to assign standby duty.

9. VACATION

- A. Every employee in a full-time regular or limited-term position shall receive vacation benefits for each pay period of continuous service according to the following schedule:

Pay Periods of Continuous Service	Vacation Credit Per Pay Period	Vacation Accrual Maximum Earnable
0 through 78 pay periods	3.08 hours	160 hours
79 through 260 pay periods	4.62 hours	240 hours
Over 260 pay periods	6.16 hours	320 hours

Vacation accrual shall date from the first of the pay period following the pay period in which the employee commenced such continuous service. If such commencement date was the first working day of the pay period, vacation accrual shall start from such commencement date.

- B. Every employee in a part-time regular or limited-term position shall receive vacation benefits and maximum earnable vacation accrual in the same ratio to the vacation benefits received by an employee in a full-time regular or limited-term position with like pay periods of consecutive service, as the number of hours in the part-time work schedule is to the number of hours in the full-time work schedule.
- C. Vacation time taken shall not be counted as time worked for purposes of overtime computation.
- D. Absence without pay for more than sixteen (16) working hours in a pay period shall cause the pay period's service not to be counted toward earning vacation credit.
- E. Employees who are terminating their employment for reasons other than paid County retirement shall not use annual/vacation leave as their termination date (e.g., requesting annual/vacation leave to begin 3-7 and the actual termination date to be 3-13, etc.).

- F. Employees do not become eligible to take their earned vacation until they have completed thirteen (13) pay periods of continuous service. After completion of thirteen (13) pay periods of continuous service, employees then become eligible to take vacation as it is earned. Once an employee becomes eligible to take earned vacation, the employee may use this vacation as an extension of sick leave.
- G. Each department head shall be responsible for scheduling the vacations of their employees in such a manner as to achieve the most efficient functioning of the department and of the County service. No person shall be permitted to work for compensation for the County in any capacity during the time of the employee's paid vacation from County service.
- H. Any employee separating from County service who has not taken their earned vacation, if any, shall receive the hourly equivalent of the employee's salary for each hour of earned vacation, up to the end of the last full pay period worked, based on the pay rate in effect for each person on the last day actually worked. Such payment shall be to the nearest one tenth of an hour. Employees terminating from County service prior to becoming eligible to take earned vacation shall be paid for earned (accrued) vacation. When separation is caused by death of an employee, payment shall be made to the estate of such employee, or in applicable cases, as provided by Section 630 of the Probate Code.
- I. An employee receiving pay in lieu of unused vacation may not be re-employed by the County of Solano in any capacity until a number of working days equal to the number of days paid vacation has elapsed following the effective date of the separation. Nothing in this Section shall be interpreted as preventing a department head from filling a position vacated by separation immediately following the effective date of separation.
- J. Upon the presentation of medical verification acceptable to the department head that an employee was ill or disabled during a scheduled vacation, employees may substitute sick leave for vacation for the period of illness or disability.
- K. With advance approval by the immediate supervisor, which shall not be unreasonably denied, vacation benefits may be used to attend to emergency personal business in increments of one hour or more. The employee is entitled to a reasonable expectation of privacy as to the specific nature of the emergency personal business. It is understood that the nature of the employee's personal emergency requiring personal leave may not permit more than minimal advance notice to the immediate supervisor.
- L. If the department head does not provide a specific time for the use of vacation leave, an employee may, with fourteen (14) calendar written days notice, as a matter of right, when the accumulated vacation to the employee's credit reaches the maximum earnable vacation accrual, give written notice to department head and take up to eighty (80) hours.

10. SICK LEAVE

- A. Every employee holding a regular or limited-term full-time position shall accrue 3.70 working hours sick leave with pay for each pay period of service; except, that no employee shall earn sick leave credit during a pay period in which the employee is

absent without authorization or in which the employee is absent without pay for more than sixteen (16) working hours.

During the pay period in which a leave of absence without pay is granted for two (2) days or less, the employee shall accrue sick leave with pay in proportion to the relationship the time worked during that pay period bears to eighty (80) hours. It shall be computed to the nearest hundredth of an hour.

- B. Every employee holding a regular or limited-term part-time position shall accrue sick leave with pay in proportion to the relationship the employee's basic workweek bears to forty (40) hours. No such employee shall earn sick leave credit during a pay period in which the employee is absent without pay more than fifteen percent (15%) of the regularly scheduled working hours for the position.
- C. Sick leave may be applied to absence caused by illness, injury, pre-natal care or pregnancy of an employee. Sick leave may be used for medical, dental or ocular appointments when absence during working hours for this purpose is authorized by the department head. In any instance involving use of a fraction of a day's sick leave, the amount charged to the employee's sick leave account shall be to the nearest one tenth of an hour. Each department head shall be responsible for the control of abuse of the sick leave privilege. The employee may be required to furnish a certificate issued by a licensed physician, psychiatrist, nurse practitioner, physician's assistant, dentist or chiropractor or other satisfactory evidence of illness to the appointing authority.
- D. An employee who enters the service of Solano County in a regular or limited-term position shall begin earning sick leave dating from the first of the pay period following the pay period in which the employee commenced such continuous service, unless such commencement date was the first working day of a pay period, in which case, the first day of sick leave accrual shall date from the first of the pay period in which the service began.
- E. Not more than eighty (80) hours of sick leave annually may be granted to an employee for absence due to the care or attendance of ill or injured members of their immediate family. In the event a holiday or regular day off falls within the eighty (80) hours the employee is absent on account of family care, these days are included within such eighty (80) hours, but shall not be charged to sick leave.
- F. Sick leave shall not be used in lieu of vacation, but vacation or compensatory time off may be used in lieu of sick leave, after accrued sick leave has been exhausted. Sick leave taken shall not be counted as time worked for purposes of overtime computation.
- G. No County employee shall be entitled to sick leave while absent from duty on account of the following cause:
 - a. Sickness or disability sustained while on leave-of-absence without pay.
 - b. Sick leave because of an employee's physical incapacity will not be approved when the injury or illness is directly traceable to employment other than the County or where the injury or illness is caused by the employee's serious and willful misconduct; as such terms are defined and interpreted under the Workers' Compensation and Safety Act.

- H. Termination of an employee’s continuous service, except by reason of temporary layoff for lack of work or funds, shall cancel all sick leave accrued to the time of such termination, regardless of whether or not such person subsequently re-enters the County service. No payment shall be made to any employee for unused sick leave accumulated to their credit at the time of termination of employment, except for reasons of regular or disability retirement, death, or release from County employment as a result of a permanent reduction in the number of authorized regular help positions, or taking office as an elected County official. Employees terminating employment because of regular or disability retirement, death or release from County employment as a result of a regular reduction in the number of authorized regular help positions, or to take office as an elected County official, shall be paid for their accumulated unused sick leave in the following manner:

- Convert all to the retirement health savings account

The date of termination of employment shall be considered as the date certified by the department head as the last day worked, or the last day in an authorized leave without pay status, and shall not include the equivalent time involved in any overtime or vacation payoff made at the time of termination.

An employee who is rehired within one year from their date of employment separation shall, upon rehire, have their previously accrued and unused sick leave added back to their sick leave accrued leave balance. For the purposes of this paragraph, the term “unused sick leave” means those sick leave hours which were accrued and not used in any fashion (e.g., hours used, paid out or converted as provided elsewhere within **Section 10**).

- I. For the purposes of this Section, a member of the immediate family is construed to mean the employee’s:

- grandparent
- mother or father,
- husband or wife,
- registered domestic partner
- person assuming the role of the employee's spouse,
- son or daughter,
- brother or sister
- grandchild
- mother in law or father in law of the employee,
- the minor child for whom the employee has legal custody,
- a person acting in loco parentis for the employee, or
- relatives living in the employee’s home.

- J. Hospitalization of a member of the immediate family is a valid reason for sick leave under the following conditions:

A day's absence may be authorized for the employee to be at the hospital on the day of an operation, on the day of a birth of their child or in the event of a critical illness of a member of the immediate family. Absences for these reasons for more than one day may be authorized on sick leave only if a doctor provides a written statement that the employee's presence, away from work, is required.

11. CATASTROPHIC LEAVE BANK

A. Program Design

The County will create and maintain a Catastrophic Leave Bank to assist any employee who will exhaust all accruals due to a serious or catastrophic illness, injury, or other circumstances. This program establishes and maintains a countywide bank wherein any employee who wishes to contribute may authorize a portion of the employee's accrued vacation, compensatory time, holiday compensatory time, and/or administrative leave be deducted from those account(s) and credited to the Catastrophic Leave Bank. Employees may donate hours either to a specific eligible employee or to the bank. Upon approval, hours from the Catastrophic Leave Bank may be transferred to a requesting employee's Catastrophic Leave account so that employee will remain in paid benefit status, thus maintaining benefits while partially ameliorating the financial impact of the illness, injury, or other circumstance.

B. Eligibility

To be eligible for this benefit, the receiving employee will:

1. be a regular full time, part time or limited term employee who has passed their initial County probationary period;
2. exhaust all accumulated leave including, accrued vacation, compensatory time, holiday compensatory time, administrative leave, floating holiday, and sick leave (unless the leave involves the care of another or involves other circumstances and the maximum hours of family sick leave have been used);
3. be unable to return to work for at least thirty (30) days, and;
4. have applied and received approval for a Leave of Absence Without Pay (i.e., discretionary leave).

C. Operation

1. The County will be responsible for receiving and recording all donations of accruals and for initiating transfer of hours from the bank to the recipient's Catastrophic Leave account. Disbursement of leave accruals will be subject to the approval of a six (6) member committee composed of three (3) members appointed by the County Administrator and three (3) members appointed by SEIU, Local 1021.
2. The committee shall meet as necessary to consider all requests for donations and shall make determinations as to the appropriateness of the request. The committee shall determine the number of hours to be awarded for employees whose donations are non-specific.
3. No employee will have any entitlement to catastrophic leave benefits. The award of Catastrophic Leave hours will be at the sole discretion of the committee, based upon the merits of the request. Except for hours donated to a specific employee, the committee will limit benefits in accordance with available contributions and select from among eligible applicants, those who will receive benefits.

4. Any recipient will be limited to a total of five hundred twenty (520) hours or its equivalent per catastrophic event. However, if approved by the committee, the total leave may be extended on a case by case basis not to exceed and additional five hundred and twenty (520) hours. The hour limits will be prorated for part time employees based on their full time equivalency.
5. Hours transferred from the Catastrophic Leave Bank to a recipient will be in the form of Catastrophic Leave hours.
6. If an employee receiving donated leave returns to work prior to fully exhausting donated hours, the unused hours will be returned to the Catastrophic Leave Bank.
7. Employees will not accrue sick or annual/vacation leave while using catastrophic leave hours.
8. Donations are irrevocable unless the donation to the eligible employee is denied. In the event a donation is made to a specific employee and the committee determines the employee does not meet the Catastrophic Leave Bank criteria, the hours will be returned to the donating employee unless the employee elects to donate the hours to the bank.
9. Donations may be made in hourly blocks with a minimum donation of not less than four (4) hours per donation from balances in the donor's accrued vacation, compensatory time, holiday compensatory time and/or administrative leave accounts. Employees who elect to donate to a specific individual shall have seventy-five percent (75%) of their donation credited to the individual and twenty-five percent (25%) credited to the Catastrophic Leave Bank.
10. No employee may donate more than eighty (80) hours per calendar year; an employee cannot donate leave balances which would reduce the employee's vacation balance to less than 25 hours. The hour limits will be pro-rated for part time employees based on their full time equivalency.
11. In accordance with Internal Revenue Service Ruling 90-29, leave transferred for medical reasons will not be considered wages for the employee who surrenders the leave and will therefore not be included in gross income or subject to withholding. An employee who donates leave incurs no deductible expense or loss either upon the donation or use by the recipient.
12. Each year in July, the committee will provide the Union and the Director of Human Resources with an accounting of the total hours used annually and the balance of hours left in the bank.
13. The Union shall have the right to use the County's email once each February, May, August and October of each year to conduct a donation drive and the Union shall have the right to provide the County with an email each month to be sent to all SEIU members.

The employee’s base County salary shall be identified by referring to the County’s “Listing of Classes and Salaries” in effect on the first day of active military leave, and no incentive pays such as POST Pay, bilingual differential, or similar factors shall be considered. This calculation is made as of the first day of the employee’s active military leave for that particular deployment and shall not be adjusted during the deployment, even if a general wage increase occurs during the deployment. The employee must furnish to their department a copy of their military pay (e.g. through a military pay stub which documents the base pay rate) within thirty (30) calendar days of the employee’s deployment.

Supplemental Military Pay is earnings and subject to payroll taxes (e.g., Medicare, Social Security, income taxes), recognized employee association/union dues, deferred compensation contributions, garnishments, and all other deductions in effect on the calendar day immediately prior to the start of Supplemental Military Pay with the exception of CalPERS retirement (see Benefits).

Failure of the employee to make a written or oral response will constitute waiver of the right to respond.
 - e. A copy of all proposed disciplinary actions and/or disciplinary actions will be provided to SEIU Local 1021.
2. If the employee elects to respond in person, a meeting shall be scheduled with the department head or their designee at which the employee shall be given the opportunity to respond to the proposed action. 19. GRIEVANCES

19.1 Grievance Definition

A grievance is any dispute, which involves the interpretation or application of any provision of this Memorandum of Understanding excluding, however, those provisions of this Memorandum of Understanding, which specifically provide that the decision of any County official shall be final, the interpretation or application of those provisions not being subject to the grievance procedure

19.2 Grievance Purpose

The purpose of this procedure is:

- A. To resolve grievance disputes informally at the lowest possible levels;
- B. To provide an orderly and prompt procedure for resolving disputes which arise regarding the interpretation of the Memorandum of Understanding;
- C. To encourage communication between employees, the union, and County representatives;
- D. To determine and correct, if possible, the causes of grievance disputes.

19.3 Grievance Steps

Grievances shall be processed in the following manner

A. Step 1. Informal Discussion

Any employee who believes that they have a grievance shall discuss their complaint with the employee's immediate supervisor (or such management official designated by the department head) within fifteen (15) calendar days of the incident or occurrence. This meeting shall be held in an effort to resolve the grievance informally. The Immediate supervisor/management official shall have ten (10) calendar days from the date of the informal discussion to respond to the employee. If an agreement is reached to resolve the issue, the supervisor will confirm the outcome in writing.

If the management official's response does not resolve the grievance, the employee has ten (10) calendar days from the management official's response date to file the grievance in writing with the department head or their designee. If the management official fails to respond, the employee has ten (10) calendar days from the date the management official's response was due to file the grievance in writing with the department head or the department head's designee.

B. Step 2. Department Head and/or the Designated Representative

The department head or their designated representative will meet with the grievant and the grievant's Union representative and shall provide a written response to the grievance within twenty-one (21) calendar days of having received it.

If the grievance is not resolved within the department, the Union shall have the right to appeal the grievance to the Human Resources Director, in writing, within fifteen (15) calendar days of the response made at Step 2. Notwithstanding this procedure all complaints involving or concerning the payment of compensation shall be in writing to the Director of Human Resources or the Director's designee with a copy to the department head. A grievance shall be initiated in writing on the Solano County Grievance Form.

C. Step 3. Director of Human Resources

Any official of the Union may notify the Director of Human Resources or the Director's designee in writing that a grievance exists, stating the particulars of the grievance and, if possible, the nature of the determination desired. The Director of Human Resources or the Director's designee shall have twenty-one (21) calendar days in which to investigate the issues, meet with complainant and attempt to reach a satisfactory resolution of the problems. No grievance may be processed under Step 4 or 5 below which has not first been filed and investigated in accordance with Step 3.

D. Step 4. Mediation

1. If the parties are unable to reach a mutually satisfactory accord on any grievance which arises and is presented during the term of this Memorandum of Understanding, the moving party shall have twenty-one (21) calendar days to request in writing that the grievant be scheduled for mediation.

The mediation will be convened within ninety (90) working days of receipt of the timely request for mediation. The mediator shall be selected by mutual agreement from the State Mediation and Conciliation Service.

2. In the event either party does not believe that a settlement can be reached, Step 4 of the grievance procedure may be waived by mutual agreement of the parties and the matter shall be referred directly to an impartial arbitrator in accordance with Step 5 of this Section.

E. Step 5. Arbitration

If the grievance is not resolved at Step 4, the Union or the County may require that the grievance be referred to an impartial arbitrator who shall be designated by mutual agreement between the Union and the Director of Human Resources or the Director's designee.

In the event the parties are unable to agree on an arbitrator, the parties shall solicit from the State of California Mediation/Conciliation Service a list of seven (7) arbitrators.

After the receipt of the list, and following a toss of coin to determine which party shall strike first, the parties shall alternatively strike arbitrator's names from the list until one (1) arbitrator's name remains.

The fees and expenses of the arbitrator and of a Court Reporter shall be shared equally by the Union and the County. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any. The request for arbitration shall be made in writing within twenty-one (21) calendar days following completion of mediation.

19.4 Timeliness of Grievances and Responses

- A. Failure of the grievant to adhere to the timelines contained in this article shall be considered an abandonment of their grievance. Failure of the County to adhere to the timelines contained in this article shall allow the grievant to pursue their grievance to the next higher step.
- B. If any of the time periods for processing a grievance, as outlined above, end on a day which is not a normal County workday (i.e. a weekend or recognized County holiday) the timelines shall be extended to 5:00 pm on the next regular County work day.

19.5 Scope of Arbitration Decisions

- A. Decisions of arbitrators on matters properly before them shall be final and binding on the parties hereto.
- B. No arbitrator shall entertain, hear, decide or make recommendations on any dispute unless such dispute involves a position in a unit represented by the Union, which has been certified as the recognized employee organization for such unit, and unless such dispute falls within the definition of a grievance as set forth in **Section 19.1, Grievance Definition.**
- C. Proposals to add to or to change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be arbitral and no proposal to modify, amend, or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred to arbitration under this Section. No arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.
- D. If the Director of Human Resources in pursuance of the procedures outlined in **Section 19.3, Paragraph (C)** above in pursuance of the provisions of **Section 19.3, Paragraph (D)** above resolve a grievance which involves suspension or discharge, they may agree to payment for lost time or to reinstatement with or without payment for lost time, but in the event the dispute is referred to arbitration pursuant to **Section 19.3 Paragraph (E)** and the arbitrator finds that the County had the right to take the action complained of, the arbitrator may not substitute their judgment for the judgment of management and if the arbitrator finds that the County had such right, they may not order reinstatement and may not assess any penalty upon the County.

19.6 Compensation Complaints

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Director of Human Resources. Only complaints, which allege that employees are not being compensated in accordance with the provisions of this Memorandum of

Understanding, shall be considered as grievances. Any other matters of compensation are to be resolved in the meeting and conferring process and if not detailed in the Memorandum of Understanding which results from such meeting and conferring process shall be deemed withdrawn until the meeting and conferring process is next opened for such discussion. No adjustment shall be retroactive for more than sixty (60) days from the date upon which the complaint was filed.

No change in this Memorandum of Understanding or interpretations thereof (except interpretations resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the Director of Human Resources and the Union.

19.7 County Code and Civil Service commission

- A. The provisions of this Section shall not abridge any rights to which an employee may be entitled under the County Code, nor shall it be administered in a manner, which would abrogate any power, which, under the County Code, may be within the sole province and discretion of the Civil Service Commission.
- B. All grievances of employees in representation units represented by the Union shall be processed under this Section. If the County Code requires that a differing option be available to the employee, no action under **paragraph (C), (D) or (E) of Section 19.3**, Grievance Steps above shall be taken unless it is determined that the employee is not availing themselves of such option.
- C. No action under **Section (C), (D) or (E) of Section 19.3**, Grievance Steps, above shall be taken if action on the complaint or grievance has been taken by the Civil Service Commission, or if the complaint or grievance is pending before the Civil Service Commission.
- D. If any award by an arbitrator requires action by the Board of Supervisors or the Civil Service Commission before it can be placed in effect, the Director of Human Resources will recommend to the Board of Supervisors or the Civil Service Commission, as appropriate, that it follow such award.

20. HOURS OF WORK AND OVERTIME

20.1 Hours of Work

A. Workday

Except as may otherwise be provided by order of the Board of Supervisors, eight (8) to ten (10) hours of work shall constitute a day's work for all regular, probationary full-time employees. Unless otherwise determined by the department, each workday shall include a lunch period of not less than thirty (30) minutes to be taken approximately midpoint during the workday. The lunch period shall not be considered part of the eight (8) to (10) hours of work, except in twenty-four (24) hour facilities where the employee continues to work during the lunch period. The Social Services staff shall work a workday that conforms with an eighty hour pay period and, except for Social Services staff assigned to or volunteering for the late emergency response shift; differential does not apply to such a workday.

B. Workweek

Except as may be otherwise provided, the official workweek shall be forty (40) hours of work in any seven (7) consecutive calendar days. The work week schedule shall normally consist of five (5) workdays of eight (8) hours work each. However, department heads may establish workweek schedules, which differ, from the normal schedule, upon recommendation of the department head and approval of the County Administrator and the Board of Supervisors. It shall be the duty of each department head to arrange the work of their department so that each employee therein shall work not more than forty (40) hours in any workweek; except, that a department head may require any employee of their department to temporarily perform services in excess of forty (40) hours when public necessity or convenience so requires. See **Section 20.2** of this MOU for provisions concerning overtime work.

C. Alternative Workweek/Work Hours

The hours of work for County employees are established to ensure that efficient and effective services are delivered to County customers and clients. While the County's general hours of operations are specifically structured to support the needs of customers and clients, alternative work schedules can enhance the public's access to County services. In those cases where alternative work schedules have been or will be instituted, such alternative work schedules(s) will continue to be instituted and maintained based on the specific circumstances and factors which enhance public service, and may be specific to designated positions or work groups.

Alternative workweeks shall be instituted as a result of an agreement between the Union and a department head, specifying the terms and conditions of the workweek schedule. Each employee on the alternative workweek schedule should sign and receive a copy of the agreement. Establishment of any new workweek/work hours shall require completion of any required meet and confer process and the recommendation of the department head and approval of the County Administrative Officer and the Board of Supervisors. This Section does not restrict the ability of a department head to modify an individual employee's schedule. In the event the department modifies an individual employee's work schedule, the Department Head will provide the employee with written notice, seven (7) calendar days in advance of the change. The written notice will include the reason for the change in schedule. If requested by the employee, the Department Head or designee will meet with the employee regarding the change.

In the event the County discontinues the 4-10 workweek, the County shall reinstate the 9-80 work schedule for those County employees previously working such a schedule. Additionally, the County and the Union will meet and confer regarding the impact of the change in their work schedule for employees who never worked the 9-80 schedule.

Alternative work schedules may provide a variety of day off options.

D. Rest Periods

Each employee shall be entitled to take one fifteen (15) minute rest period for each four (4) hours of work performed by such employee in a workday. If not taken, such rest period is waived by such employee. Rest periods may not be combined with lunch

periods; nor may they be moved to the beginning or ending of the workday. Authorized rest period time taken shall be counted as time worked.

E. Holiday Adjusted Time

A Department Head, with the concurrence of the County Administrator, may establish a “Holiday Adjusted Time” program. If a fixed County Holiday falls on an employee’s regularly scheduled work day the employee is granted eight (8) hours of paid holiday time or pro-rated if the employee is less than full-time. Holiday Adjusted Time may be granted, subject to the needs of the Department, to cover the balance of the employee’s normal hours that exceed the eight (8) hours of holiday pay. For example, an employee on a 4/10 work schedule may be permitted to work an additional two hours in the same work week as a fixed County Holiday. Holiday Adjusted Time may not be worked outside of department’s business hours unless authorized by the Department Head. An employee may combine an hour of Holiday Adjusted Time and available leave accrual to supplement the eight (8) hours of holiday pay. However, an employee may not take leave without pay if the employee has available leave accruals.

As of July 9, 2019, the Department of Child Support Services and the Health and Social Services Department each has an Adjusted Time Off program, for which the County and SEIU have completed the meet and confer process. This Holiday Adjusted Time Off provision does not supersede the Department of Child Support Services or the Health and Social Services Department’s implemented Adjusted Time Off program for provisions different than, or other to, fixed County holidays.

20.2 Overtime

A. Overtime Work Defined

Overtime work shall be defined as all work specifically authorized by the department head that is performed in excess of forty (40) hours per week.

B. Overtime Payment - All overtime work shall be compensated as follows:

1. Employees incumbent in classifications designated as 02 in this agreement shall be granted compensatory time off for all time worked in excess of 40 hours in a week, at straight time, whenever an accrual balance is at or above 40 hours, the employee may elect to receive straight time pay for overtime worked.
2. Employees covered under FLSA (designated as 09) shall be paid for all time worked in excess of 40 hours in a workweek at one and one-half times the regular rate of pay; however, employees may be granted, at the sole discretion of the department head, compensatory time off at one and one-half hours off for each hour worked, except that employees shall have the option of determining the method of overtime payment (cash or CTO) for the first forty (40) hours of overtime worked in each fiscal year. Time off on recognized fixed County holidays shall be considered time worked for overtime calculation purposes.
3. If, in the judgment of a department head, work beyond the official workweek or work period is required, such overtime work may be ordered. The County may establish administrative procedures not inconsistent with this agreement.

4. Any CTO accumulated in excess of eighty (80) hours by an employee covered under FLSA shall be taken off within the fiscal year in which it is earned. If the department head is unable to schedule sufficient time off during the fiscal year, the employees' accrual balance shall be reduced to eighty (80) hours and payoff shall be made to the employee prior to the end of the fiscal year in which it was earned.
5. Permanent and probationary employees shall be compensated at one and one-half times their normal hourly rate of pay for the actual time required to be in attendance for County work related court appearances during off-duty hours with a minimum of three (3) hours for all court periods spent which are less than three (3) hours.
6. Time worked beyond the official forty (40) hour workweek shall not be considered overtime unless it has been specifically ordered or authorized by the department head.
7. Any employee separating from the County service shall be paid for any existing CTO balance at the time of such separation at the hourly rate at which the employee is currently employed.
8. Time worked as overtime shall not be counted as service time for purposes of employee benefits eligibility or accrual or probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn employee benefits and to serve out probation and merit increase periods.
9. When an employee in a regular part-time position is required to work in excess of their regular work schedule during any week to cover seasonal peak work loads, emergency extra work loads of limited duration, necessary vacation relief and other similar situations, such work shall be compensated for at the employee's regular rate. For time worked in excess of forty (40) hours, the employee will be paid as provided above.
10. No department head may employ a person from outside the department as a substitute for an employee who is on compensatory time off. No department head shall assign an employee within the department as a substitute for another employee who is on compensatory time off, where such employee assigned received an increase in pay, as a result of such assignment. Within budget limitation, extra-help employees may be utilized to substitute for employees who are on compensatory time off.
11. No regular, probationary or limited-term employee may be employed in one or more positions, full or part-time, more than a total of forty (40) hours per week, excepting authorized overtime, unless authorized by the Board of Supervisors. Nothing in this Section is to preclude an employee from temporarily serving in another capacity in the event of an emergency, provided the employee has the approval of their department head.
12. CTO taken by an employee shall be counted as time worked for purposes of overtime computation.

13. Employees who are terminating their employment for reasons other than paid County retirement shall not use comp time as their termination date (e.g. requesting comp time to begin 3-7 and the actual termination date to be 3-13, etc.)

21. NO STRIKE/NO LOCKOUT

- A. The Union, its members and representatives, agree that they will not engage in, authorize, sanction, or support any strike, slowdown, stoppage of work, curtailment of production, concerted refusal of overtime work, refusal to operate designated equipment (provided such equipment is safe and sound) or to perform customary duties; and neither the Union nor any representatives thereof shall engage in job action for the purpose of affecting changes in the directives or decisions of management of the County, not to effect a change of personnel or operations of management or of employees not covered by this Memorandum of Understanding.
- B. The County agrees not to engage in any lockout during the term of this Memorandum.

22. OTHER PROVISIONS

22.1 Duties Imposed on Officers and Employees to be Performed; Staggering of Hours of Employment

Nothing contained in this agreement shall prevent, relieve or otherwise excuse any County employee from the performance of any duty imposed upon them by law, the Solano County Code or other ordinance of this County, or from the rendering of service at such times and places as are necessary in order to properly perform the functions of the employee's office or employment. County officers and heads of departments are empowered to stagger, rearrange and adjust the hours of employment of employees in such a manner as to enable them to keep their offices open at all times required.

22.2 Mileage Reimbursement

- A. **Amount of Reimbursement**
Employees who are authorized and use personal automobiles, vans or trucks on official County business shall be eligible for reimbursement for such use based upon a flat rate per mile of County business use in accordance with the IRS rate upon approval of the Board of Supervisors. The deductible amount, not covered by the employee's insurance which becomes an actual expense to the employee because of an accident while on County business and for which the employee does not receive a sustained citation, shall be reimbursed by the County up to a maximum of \$500.00 per accident. Necessary tolls and parking fees are also reimbursable. Claims for deductible reimbursements shall be documented. Reimbursement of Out-of-County trips shall not exceed the cost of reasonable public transportation; i.e., air, train, bus.

B. Claims

Each employee who wishes reimbursement for the authorized use of a personal vehicle on County business shall file a claim with their department utilizing the forms and procedures designated by the County Auditor-Controller.

C. Authorized Use – Official County Business

1. Authorization to use a personal vehicle on official County business shall be obtained in advance from the employee's department head. Failure to obtain advance authorization may nullify the claim for reimbursement.
2. Authorization shall be made only for the purpose of necessary travel between work locations, less any personal use miles.
3. Personal use mileage includes commute miles to or from an employee's work site on a given day and any side trips or travel miles taken for reasons of personal business or other non-County business activities.
4. In those cases where an employee drives directly from their normal place of residence to the site of a meeting or another official purpose that is not at the employee's regular work location, mileage reimbursement is allowable for the actual miles driven less any personal miles, and shall be for the shortest route. (For example, an employee living in Vacaville with a regular work site assignment in Fairfield, who drives to Sacramento and back home on County business, would be eligible to receive mileage reimbursement to and from Sacramento via I-80 and connecting streets plus any parking fees. The same employee driving to San Francisco and back home could claim the round trip mileage between Fairfield and San Francisco via I-80 plus parking fees and tolls.)
5. An employee at the end of a work schedule who drives from a regular work site to another County work location on official business, and then drives home, shall receive mileage reimbursement for the miles driven between the two County work locations.

D. Evidence of Insurance

EXTREME TEMPERATURE PROCEDURES INDOORS:

Monitoring of the Temperature

1. The County and the Union acknowledge the vital importance of maintaining proper temperatures at worksites to minimize physical discomfort and promote a healthy working environment. To measure the Temperature Humidity Index (THI) the county and the union will agree on a THI indicator which will measure both temperature and humidity. The THI indicator will be placed in the warmest part of each site in which represented employees work.
 - a. In locations with multiple floors or segregated areas which are ventilated by different air conditioning units, THI indicators will be placed in areas serviced by each air conditioning unit.
 - b. For the purposes of the installation of the THI Indicator, the warmest area in each building zone shall be determined by a committee including the site manager/department head, a representative of Local 1021, and a representative of the Facilities Office for that location.

2. The County will maintain ambient interior temperature within 68° to 76° Fahrenheit and humidity below 40%. A staff member designated by Local 1021 in each unit shall be assigned the responsibility of inspecting the THI indicator and of reporting any reading of 80° and 40% humidity to the supervisor in charge of the County building. Upon the report of a reading of 80° and 40% humidity, the steps noted in the section below shall be taken.

1. UNION SECURITY AND UNION RIGHTS

1.1 Union Dues

- A. Employees may sign up for Payroll Deductions of Union Dues with the Union. The Union will certify changes or new authorizations for dues deductions from members of the Union, in an electronic data file to be transmitted to the County's Auditor Controller's Office – Payroll Bureau. If the employees opt for such deduction, it is understood that the dues will be deducted starting from the first day of the pay period following receipt of the certification and shall continue until:
1. The last day of the last pay period following the transfer, promotion, or demotion of the employee to a non-SEIU bargaining unit; or
 2. Until the end of the pay period following notification from the Union to the County to cease deducting Union dues, or a later date as specified by the Union (to coincide with the end of a pay period).
- B. The County shall promptly, and no later than thirty (30) days, pay over to the Union all sums so deducted. It shall be the sole responsibility of the Union to procure and enforce employees' authorization for payroll deductions of dues.
- C. The employee's earnings must be sufficient after other legal and required deductions are made to cover the amount of the dues or service fees check-off authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions (including health care deductions) have priority over Union dues and service fees.
- D. The County will not deduct any Union fines or penalties from the pay of any employee.
- E. The County agrees to provide a payroll deduction for members to make a voluntary bi-weekly contribution to the ~~Union Political Action Committee~~ **Committee On Political Education (COPE). (UPDATED LANGUAGE)**
- F. **Programming Fee**
The union shall reimburse the County for actual, reasonable and necessary costs of reprogramming in order to implement this agreement. Such costs shall not exceed the Union's share of such costs to be determined by dividing the total number of each Union's represented employees subject to agency shop by the total number of County employees subject to agency shop and by multiplying this quotient times the total cost

G. **Indemnification** **COMPARE WORDING**

Union shall, at its sole expense, defend, indemnify, and hold harmless the County, its officers, employees, representatives, and agents from any and all claims, liabilities, actions, lawsuits, damages, or expenses arising out of the inclusion of the provisions of Section 3 of this agreement of the administration or enforcement thereof. Union's obligation under this paragraph includes, but is not limited to, the employment and payment of qualified legal counsel to represent the exclusive interest of the County and such of its officers, employees, representatives and agents as may be necessary upon demand of any of same. Failure of Union to comply with the provision of this paragraph after reasonable notice by County shall entitle County, at its option, and without further notice to the Union, to rescind the Agency Shop provisions of this agreement for the unexpired term of any collective bargaining agreement.

H. **Waiver of Election for Newly-Represented Employees and New Representation Units**

The accretion of classifications and/or employees to representation units set forth in this Memorandum of Understanding shall not require an election for the application of this provisions to such classifications and/or employees. The recognition of newly established bargaining units and the inclusion of the same within this Memorandum of Understanding shall also not require an election for the application of this to such units. **(Moved from 3.2 I)**

1.2 Union Rights

A. **Chapter President**

The County will recognize one (1) County employee from among those Solano County bargaining units represented by SEIU Local 1021 as the official SEIU Local 1021 Solano County President, Hereinafter referred to as the "President." The County will allow the President, or when the President is unable to attend, the Vice-President, up to sixteen (16) hours per pay period of paid time away from work to conduct Union business. The President or Vice President shall obtain permission from his or her immediate supervisor prior to leaving work, in accordance with departmental policy. Any expense incurred by the President or Vice President shall be borne by the Union.

Reasonable adjustment shall be made to the President's workload to accommodate the release time provided for Union business. In return, the President will make every effort to provide his/her their supervisor and department director with his/her their release time needs Seven (7) calendar days in advance.

The Union's elected President may be provided County time off with pay to attend trainings which would, in the judgment of the Human Resources Director (or his/her the Director's designee from within Human Resources), be mutually beneficial to the County and the Union. This may include providing up to eight (8) hours of paid release time for a newly appointed President in their first year in office, and up to four (4) hours per year, in years thereafter, for training in cooperative employer-employee relations techniques. Prior to the training, the Union shall provide to the Director of Human Resources or his/her their designee, an outline of training topics and the schedule of training dates.

The Steward shall obtain permission from his or her their immediate supervisor prior to leaving work.

The Union is free to appoint whomever they deem appropriate, with consideration given to geographic location, provided the Director of Human Resources and appropriate department head are given at least one week's advanced written notice of all appointments and changes. The Union agrees to provide comprehensive training on other than County time for Stewards, prior to their appointment, in the techniques and art of good employer-employee relations and in all aspects of the rules and other terms and conditions of County employment.

2. Any expense incurred by a steward shall be borne by the Union. It is understood that the primary role of the Steward is to investigate and resolve grievances initiated by employees in their respective Representation Unit at the initial and informal stages and not to conduct general union business or to solicit membership in the Union. Because of the nature of the office, it shall be the special responsibility of each official Steward to promote and maintain good morale and employer-employee relations and to conform to all rules of conduct and standards of performance established by law, regulation, County or departmental policy or this Memorandum of Understanding. Stewards shall not participate during the employee-immediate supervisor informal discussion stage of the Grievance Procedure.
3. The County shall provide up to eight (8) hours paid release time per year for newly appointed stewards and up to four (4) hours paid release time for all other stewards for the purpose of Union training in cooperative employer-employee relations techniques. Prior to the training, the Union shall provide to the Director of Human Resources or ~~his/her~~ **the Director's** designee, an outline of training topics and the schedule of training dates.
4. An employee has the right to Union representation in meetings with a supervisor or administrator, if the meetings are investigations or discussions, which could lead to disciplinary action against the employee.
5. The County shall mail to the Union one (1) copy of each change or update to the County Personnel and Salary Resolution, Civil Service Rules or Employer- Employee Relations Rules and Regulations. These changes or updates may be reproduced by the Union and distributed to Stewards at the discretion of the Union.

C. **Union Release Time**

D. **Use of County Facilities**

The County agrees to grant the free use of County conference and meeting rooms to the Union, as provided by Section 10 (c) and (e) of the Solano County Employer-Employee Relations Rules and Regulations, provided such use is authorized by the County Administrator or ~~his/her~~ **their** designees.
(Moved from 3.2 C)

E. **Bulletin Boards**

The County agrees to make bulletin board space available to the Union in accordance with the provision of Section 10 (d) of the Solano County Employer-Employee Relations Rules and Regulations.

Employees may submit a request for leaves of unpaid absence to conduct Union business pursuant to existing contract language for unpaid leaves. **(Moved from 3.2 E)**

This list is composed of a maximum twenty (20) representatives across all SEIU bargaining units who are eligible for release time to attend the Union's presentation at New Employee Orientation. The Union will provide the list to the County by the end of the 30th calendar day following the effective date of this side letter. The Union may remove and add names, without exceeding twenty (20) representatives, twice annually during the months of July and December.
5. The County shall advise the employee organization of the dates and times at which the Union Representative can present to employees covered by their bargaining unit. Individuals not on the list and who show up for New Employee Orientation may be denied entrance by Human Resources to that particular New Employee Orientation meeting.
6. The County shall grant release time to two Union designee(s), which shall include reasonable time for travel and set up without loss in compensation to conduct any sessions for new employee orientation. The Union shall provide the names of the representative(s) who are requested for release time for the Union's presentation at New Employee Orientation to the County at least forty-eight (48) prior to the scheduled New Employee Orientation.
