

STAFF UP SOLANO

SEPT. 27TH: SOLANO COUNTY WORKERS FLOOD THE BOARD OF SUPERVISORS BLDG

SEPTEMBER 27TH | 9 AM

ALL MEMBERS PRESENT!

Currently, over four hundred job positions remain unfilled, forcing Solano County workers to do more with less. When understaffing is that severe, complete and timely services cannot be provided. In order to fully staff public services and provide high-quality care that county tax-paying residents expect, the Solano County Board of Supervisors must attract and retain qualified staff with fair and competitive wages.

Solano County workers are demanding county management show that they value workers' contributions to the community's well-being, safety, and future by fairly settling our contract that expires next month.

We'll be outside of the Solano County Board of Supervisors meeting to condemn the mismanagement of services and care that harm the county's tax-paying residents.

WHAT: Action outside of Board of Supervisors Meeting
WHEN: Tuesday, September 27th from 9:00am – 11:30am
WHERE: County Administrative Center, 675 Texas Street, Fairfield, CA

***Wear our union colors. Request time off in order to attend. Signs will be provided.**
