

# **Tentative Agreement Summary**

## **Between SEIU Local 1021 and Alameda County**

### **Updated April 19, 2023**

Late in the night on Thursday, March 30, after a massive informational picket outside the Board of Supervisors, **your elected bargaining team came to a comprehensive Tentative Agreement (TA)** with Alameda County.

**The Bargaining Team recommends this TA for ratification by SEIU 1021 members.**

We will be holding **lunchtime info sessions** at worksites across the county from April 10 to April 18, and **evening info sessions via Zoom** on April 11, 12 and 13. **A full schedule will be posted to [seiu1021.org/alaco](http://seiu1021.org/alaco).**

We were able to reach this deal because of the unity of our members across the County and their willingness to purple up, show up, and speak up. **This contract addresses our core issues and the staffing crisis** that has hurt our members and impacted our ability to provide high-quality services to county residents.

Please note: Actual copies of the Tentative Agreement are not available for individual employees since they are still tentative pending ratification. Actual copies will be shared at worksite meetings, informational zoom sessions, and at the ratification voting locations.
